Implementation of Alternate Side Parking (ASP) on Schieffelin Avenue Between East 225th and East 222nd Streets.

The homeowners on Schieffelin Avenue overwhelming decided to petition and requested the conversion of Schieffelin Avenue Between East 225th and East 222nd Streets into an Alternate Parking Street. The complains stem from cars being parked on the street for months in one spot without any spaces for the homeowners. The committee vote in favor of this request and the Community Board will write a letter in favor of the request to the New City Department of Sanitation.

Action Item: The Committee report will be presented before the full Board for final approval at the next board meeting.

Respectfully submitted,

John Isaac

Vote # 1 (UJAMAA GARDEN) letter from end user read by CO Chair Luke

Write a letter of support to Health, DWP, and sanitation, regarding the stationed food truck parked along Boston Road to have these agencies provide enforcement and to provide garbage picked up by DSNY

Inquire how to get a study to install No Parking signs along Boston Road and Marolla Avenue, where this Food Truck is parked at.

We would like to set up a meeting with the end user of the proposed shelter/hotel. The chair from CB2 is the person involved with that project.

Vote # 2 (BEYOND PLASTIC) Presenter Alexis Goldsmith

They are looking for a Letter of Support from CB12

Vote # 3 (PUBLIC SAFETY) by board member Dr. Phinn

Dr. Phinn expressed concerns with illegal activities, insufficient lighting, quality of life issues that are not being addressed on Mickle Avenue.

We spoke about sending a letter of support/request to Parks Department in regard to the converting these uncut street spaces and turning them in a playground, so there will be more police/parks department officers patrolling these areas.

Looking to de-map these sites for park land.

Mr. Campbell a community member and resident of this block has also expressed his concerns with quality-of-life issues on this block (Mickle Avenue)

Vote # 4 (PUBLIC SAFETY) by Co Chair Alfredo

FAX (718) 944-3310

Looking for a letter of support to be sent to NYPD highway 1 unit, regarding issues with the entrance to the South Bound entrance to the Bronx River Parkway next to the MTA station, across from the River Road Motor Inn, regarding the ongoing illegal activities by motor vehicles turning from the Left-hand side onto the entrance to this parkway. We would like a study done by Highway 1, who has jurisdiction of this parkway, they will need to have an unmarked cruiser park in the gas station so they can see how the vehicles are not obeying these turning lights.

Also providing a cross walk at this intersection, there already exist a hcab curb but no crosswalk markings

We would like to also entertain a camara to flash when these vehicles are not stopping for these lights.

Meeting started at 7pm and ended at 845pm.
