To Community Board 2,

Greetings! The following is an introduction to Juneteenth Freedom Fest NYC, Inc. and what we seek to accomplish in 2021.

Juneteenth Freedom Fest NYC is an annual festival that commemorates the freedom of enslaved Africans in America. It is the celebration of Black culture, Black excellence, Black achievements, Black people, and Black Pride!

Juneteenth Freedom Fest NYC will become a signature event for the city for years to come, bringing together families, entrepreneurs, and businesses across various industries to celebrate and promote African American heritage through cultural and educational activities. Juneteenth Freedom Fest NYC, will highlight Black entertainers, Black traditions, food, businesses, community activism, community service, academic achievements, and accomplishments in (but not limited to) technology advancement, medical industries, sports, fashion, entertainment, and Black art.

Our 1st annual festival will be held on Saturday, June 19th, 2021 as a virtual experience, due to the ongoing pandemic. In the future, we seek to host the festival annually at Marcus Garvey park in the historic neighborhood of East Harlem, New York. The event will target African Americans aged 18 – 75 years old, making it a truly multi-generational celebration.

We hope this information has provided you with a better understanding of Juneteenth Freedom Fest, NYC. If you have any further questions, please feel free to contact our Community Outreach chair, Hakeem Croom via phone at (540)258-8644 and via email at juneteenthfreedomfest@gmail.com. Thank you for your time and we look forward to working with you all to service the community!

Kind Regards,

Juneteenth Freedom Fest, NYC: Planning Executive Board

Presented by:

NYC Department of Housing Preservation & Development

Learn about:

How to keep your property up to code and your tenants and property safe. This class will provide an overview of City and State requirements for housing quality, including recent legislation on heat and hot water. Instructors will describe the process of correcting and removing violations, what happens when a tenant calls 311 to file a complaint, and how the City can help you keep your property in good physical condition.
