YAJAIRA ARIAS, CHAIRPERSON

KARLA CABRERA CARRERA, DISTRICT MANAGER

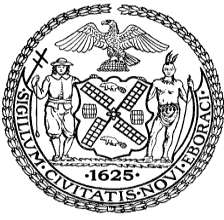

- b) 52nd PCT vehicles parking on sidewalk and blocking greenway which is enforcement not DOT
- c) Members asked for an updated status of Mosholu Parkway upgrade.
- d) Members asked about the Gun Hill bus lanes which have caused excessive traffic ever since the lanes were completed in Early November.
- e) Mosholu Parkway lights may need to be retimed and so does the left turn lane on Marion Avenue.
 - (1) Andrew wanted data for the turn lane, but since it was newly installed, DOT would need a chance to create data to be able to review it.
- f) There was also discussion about the bike lanes where members asked if the Citi bike Stations can be installed on the sidewalks and usage of Citi bike data was discussed too

B. Metropolitan Transportation Authority (MTA) Update (s) (If applicable)

1. There were no updates, but questions were asked
 - a) Committee members asked about the rollout of the new OMNI fare system on the MTA.
 - b) Members also asked about the Turnstile upgrade and the Handicapped Placard and the usage of it on Bedford Park and Decatur

C. NYPD Transit Bureau District 11 (TD11) Updates

1. TD 11 Officer Benedith presented crime data that occurred during the last period. The data may be misleading because people are reporting crimes of missing property where the property is missing, not necessarily where it happened
