SANITATION & ENVIRONMENT COMMITTEE

MEETING MINUTES

Tuesday, April 8, 2014 @ 6:30 PM

- I. Environmental Issues:
 - A. Update on PS 51:
 1. Follow-up meeting – The risks associated with the Trichloroethylene (TCE) exposure with NYS DOH. Date will be set in April. Outstanding issues are NYC DOH referral information and notification of students that were not already informed of their exposure. The meeting is tentatively scheduled to be held at St. Philip Neri Church in the Parish Hall. A confirmation will be sent, once confirmed
 - B. Open Manhole Covers:
 1. There are two on Bedford Park between Decatur and Webster Ave. This is a Con Edison issue, they have been contacted. This area was being repaired but the manholes were only covered with a plastic grate that was not secure
 - C. New Business:
 1. None reported
- II. Sanitation Issues:
 - A. "Pick up after your dog" issues:
 1. It was discussed that we should find a giveaway for dog walkers. The item can be attached to a dog leash. An Item with the Board's contact information that can house plastic bags for dog poop. We will ask the New District Manager to investigate if there are vendors that carry this item
 - B. New business:
 1. None reported
- III. Adjournment of meeting at 7:30PM
