TRAFFIC & TRANSPORTATION COMMITTEE MINUTES

Thursday, December 16th, 2010 @ 6:30 PM

- I. Weekend Walk Follow-up: On November 30, 2010, DOT came out and looked at street sites. 204th St from Perry to Bainbridge was approved as the street for the Summer Weekend Walk Area. The time will be 11 am to 5pm on three Sundays- July 24, 31 and August 7. Merchants in the area have been sent an information packet about the program. CB7 will be looking for groups, programs etc. for the event.
- II. Response to local press articles: Items have appeared in the press over the past month dealing with CB7 traffic and transportation concerns. CB7 is on the record as opposed to the removal of the part-time customer service agent at the Kingsbridge Road subway entrance. CB7 worked for at least two years to find a good solution to the organizational requests for changing the name of Kazimiroff Blvd. The Board was in correspondence with the Kazimiroff family on a dual name for the street-a green sign saying Southern Blvd and a blue sign saying Kazimiroff Blvd. This dual signage was approved by the city council.
- III. Corridor problem project: The committee will look at all problems on a street location i.e. lighting issues, signage, street condition, etc and then send a master list of concerns to DOT.
- IV. New Business
 - A. Rider Rebellion's New York City Transit Bill of Rights: This is document was sent by CB8 located in Queens to the MTA and other Community Boards. The Committee tabled the document.
