**Minutes:**

- I. Review of last month’s minutes**
- II. Introductions**
- III. Follow-up from previous month**
- IV. New Business**
  - a) Safe Horizon could not make it to do the presentation on Domestic Violence.
  - b) Officer Frank Pacella informed us that NYPD knows the identity of the perpetrator that stabbed the young man at the 205<sup>th</sup> Street D train station and they are looking for him. We were also informed that the man who robbed the jewelry store on Gun Hill Road and Webster Avenue was apprehended.
    - 1. We spoke about the surveillance that the Transit Division is doing at the 205th Street D train station. Although the riders may not realize that the officers are there, they are in plain clothes observing, gathering information, and looking for violators. Neighborhood residents in attendance requested that cameras be put in at the station close to the Perry Avenue and 205th Street entrance because that is where the criminals commit most of the crime.
    - 2. Committee Member, Yajaira Arias, provided the attendees with the email to Officer Shauna Smith from Traffic Division 11 so anyone can email the officer with transit complaints or issues. The email is [shauna.smith@nypd.org](mailto:shauna.smith@nypd.org).
