how to make it happen was given by DOT

1. Line painting should be coming in January DOT took information of some of the locations needed
2. Attention to the Speed Bump in front of MS80 being properly marked
3. Missing sidewalk on Webster and 205<sup>th</sup>
4. Parkside and Webster Fire Hydrant change
5. DOT was very gracious bringing information and updates on our community board questions
6. Selection for Committee Vice Chair was not done because Committee has selected Yajaira Arias at June's meeting

#### V. **Next meeting date: Wednesday, November 7, 2018**

- a) It was discussed that the date did not make sense because our meetings are usually the 1st Thursday which would have made it on November 1st

#### VI. **Discussion on next month's agenda**

- a) There was a suggestion for a discussion on a study to change the direction of 206th street and had a study done by DOT I informed the constituent to work on getting signatures supporting his idea and once that has been provided we could better discuss at a future meeting.

#### VII. **Adjournment**

Note: After discussion with the District Manager the date on our agenda was in error and next meeting will be **Thursday, November 1, 2018**
