**I. Introductions**

**II. Review of previous Meeting's minutes**

*Since this was our first meeting with new members, we took the opportunity while reviewing the minutes we brought members up to speed on those issues:*

- a) Point made by Andrew Laiosa about presentation A that City Assembly should be City Council
- b) Went over the preliminary test of the Dock-less Bike Share program. Program started over the summer. Discussed the surcharges incurred if used by the outside of the test area.
- c) Discussed the Zip Car Sharing Program – the taking away of parking spots
- d) Repairs to underpass roads surfaces on 204<sup>th</sup> Street, Bedford Park and Kingsbridge Road – DOT and Bridge and Tunnels point fingers at each other as to repairs, painting and maintenance.
- e) We talked about Elevators installation in Bedford Park and the possibility of an elevator at Mosholu Parkway #4 train station. A petition was passed around for which attending members signed. (copies were provided to members who wished to obtain more signatures)
- f) Cost of the elevators were told to be in the 3 to 5 Million Dollar range. Project being worked on by MTA.
- g) Community members in discussions want to have not just one elevator installed.
