District Service Cabinet Summary

September 16, 2025 - 1:00 PM

Description: The City Charter establishes a District Service Cabinet (DSC) in each community district, to be composed of agency officials responsible for local service delivery. The District Manager of the Community Board chairs the District Service Cabinet, whose members include representatives of the agencies that deliver local services to the Community District. The District Service Cabinet is the primary mechanism through which local service delivery issues can be raised, discussed and resolved. If used effectively, the Cabinet can provide the basis for a comprehensive approach to service delivery within the community district.

Land & Zoning, Economic Development & Planning Committee Meeting Summary September 8, 2025

Committee Members Present: Mitchell Halpern, Twywana Bush, Ahmat Jallo, Alizia McMyers, Andrea McLeod, Kevin Kiernan, Kristine Garcia, Shereese Trumpet

Committee Description: The Land & Zoning, Economic Development & Planning Committee represents the community's interests with regard to the use of land, zoning, landmark, building, etc. and acts as a liaison between community members and Department of City Planning, Department of Buildings & the New York City Economic Development Corporation.

I. Speakers

A. MarySol Rodriguez, Distinctive Public Affairs

- Ms. Rodriguez shared DPA efforts in community outreach regarding the new BJ's development.
 - DPA met with tenants' association, residents, and business owners.
 - There were concerns that there is not enough space for adequate parking for a wholesale store like BJ's.
 - This would increase traffic concerns which would potentially be a danger to pedestrians, especially seniors and children.
 - There were additional concerns about BJ's using non-union labor.
- The community shared the following concerns:
 - BJ's, Chipotle, and Chick-fil-a raises the risk of more people coming into the community and potentially posing a threat to the safety.

II. New Business

- A. The following outline community concerns about new development in the district:
 - In regard to the new Chick-fil-A and Chipotle:
 - People would prefer to have access to healthier food options.
 - There were also concerns about the drive-thru being a hazard for pedestrians.
 - In regard to the new Lafayette Estate Development:
 - Current residents are unhappy with Lafayette Estates management of their current building and worry that two new developments will potentially exacerbate the already bad conditions that they're facing and pose new problems for future tenants of the new buildings.
 - Additionally, green space has been destroyed to make space for a parking lot that still does not have a sufficient number of spaces for the tenants.
 - The community asked what are the next steps?
 - DM Rivera stated that he will forward any emails that he receives to elected officials and city agencies.
 - The community also asked how they can be more involved?
 - BM Bush suggested that they come to the General Board meetings throughout the year happening every third Thursday of the month.

Parks & Recreation Committee Meeting Summary

September 10, 2025

Board Members Present: Abunoman Rahman, Sadie Marie Davis, Lena Johnson, Shantel Castro, Helen Foreman-Hines, Roshawn Pettaway

I. Introduction

- A. Committee Description:** The Parks and Recreation Committee represents the community's interests with regard to parks, park services and all park related matters and acts as a liaison between parks users and the New York City Parks Department.

II. Speakers

A. Victoria Toro - Outreach Manager at Bronx River Alliance, Cross Bronx Project Updates

It took decades for the Bronx to recover from the Cross Bronx Expressway and with years of repairs on the horizon residents worry about new trauma.

<https://www.nytimes.com/2025/08/22/nyregion/south-bronx-park-expressway.html>

The proposed structures would worsen air pollution, water pollution, and extreme urban heat (removal of trees) without providing meaningful improvements to east/west connectivity.

This project will cover 3 different community boards: 3, 6 and 9.

The duration of this project will take 5 years to be built.

The project includes 4 Options:

- i. Option 1- Ramp from Southbound Bronx River Parkway to westbound CBE. Traffic diversion structure Post- construction use. Temporary connection from traffic diversion structure to CBE during construction. And no direct connection to CBE post construction.
- ii. Option 2- Ramp from Southbound Bronx river parkway to westbound CBE. No traffic diversion structure uses a path along CBE.
- iii. Option 1C- Ped/Bike only, Proposed connection to Bronx River Avenue in front of Bronx River Houses.
- iv. Option 1D- Includes a shared use path on the cross Bronx Expressway to increase connectivity within the project limits.

After public feedback, the NYSDOT dismissed the Build Alternatives 1A & 1B.

Project Timeline

- i. 9.2024 Initiate Environmental Assessment
- ii. Early Fall 25 Release Draft Environmental Assessment
- iii. Fall 25 Public Hearings
- iv. Early 2026 Release Final Environmental Assessment Determination

- v. 2026 Construction Begins
- vi. 2030 Construction Completes (option 1)
- vii. 2032 Construction Completes (option 2)

For more information and resources visit: bit.ly/no-cbe

Request for CB9 Letter of opposition to prevent the building of additional roadway for the Cross Bronx 5 Bridges Project. This will be a voting matter at the General Board's Meeting on 9.18.25.

B. BM Questions/Concerns

Concerns about health related factors were raised and safety concerns around the construction on the Bronx River area.

How much money out of the 900 million will be used for this project?

- \$150 Million will be allocated to this specific project.

The community isn't widely aware of this project. Who will conduct outreach of this project to the community?

- There is a consultant currently sharing this information out in the community.
- The Bronx River Alliance and partners hold monthly Coalition/Advocacy Meetings; one is coming up on 9.23.25

CB9 Board members will share this information amongst their networks to help get the word out.

C. New Business

- A. Space Time Playground Synthetic Turf Field and Basketball Courts Construction project began on Monday, August 25, 2025
- B. CB9 submitted a letter of support for the Soundview Park Skatepark Stormwater Resilience Project
- C. Soundview Park Representative will come to the next meeting to discuss Soundview Park updates.

ANTICIPATED TIMELINE PROJECT SCHEDULE AND MILESTONES

NATIONAL ENVIRONMENTAL POLICY ACT (NEPA)

What is NEPA?

- > NEPA is a national policy that provides for a decision-making process to consider the effects of federally funded or permitted projects on the environment.
- > Under NEPA, the lead agencies consider public input about the potential effects of a project on the social, economic and environmental conditions
- > The Federal Highway Administration (FHWA) and the New York State Department of Transportation (NYSDOT) are the joint lead agencies for the Project.

What is an Environmental Assessment (EA)?

- > An EA is a "concise" public document, for which a Federal agency is responsible, for an action that is not likely to have a significant effect or for which the significance of the effects is unknown.
- > An EA is used to support an agency's determination of whether to prepare an environmental impact statement or a finding of no significant impact (aka "FONSI").
- > If the EA shows that the Project may have a significant effect to the environment, then the joint lead agencies will prepare an Environmental Impact Statement (EIS).

How to Comply

If you use a private carter, there are 5 easy steps to select a CWZ-approved carter and sign a new contract before the end of your zone's rollout period.

Map of NYC's 20 Commercial Waste Zones

How to Comply - 5 Easy Steps

Step 3: Compare

Calculate Maximum Prices based on your service needs.

- Using the **Calculator**, on the CWZ webpage, compare the maximum monthly rates carters may charge for collection costs and additional fees.
- Carters must provide recycling and organics collection at a **discounted rate** compared to trash collection.
- Compare the **Maximum Additional Fee Schedule Per Carter** in the Maximum Rate Calculator.

How to Comply - 5 Easy Steps

Step 1: Evaluate

Assess your waste including collection type and frequency of pickup to determine your service needs.

You can conduct a waste audit or request one from your carter or a BIC-licensed broker.

LEGIONNAIRES' DISEASE

Legionnaires' (LEE-juh-nares) disease is a very serious type of pneumonia (lung infection) caused by bacteria called *Legionella*. If you develop pneumonia symptoms and may have been exposed to *Legionella*, see a doctor right away. Be sure to mention if you have used a hot tub, spent any nights away from home, or stayed in a hospital in the last two weeks.

Legionnaires' Disease Can Cause Pneumonia Symptoms

Signs and symptoms of Legionnaires' disease can include:

- ▶ Cough
- ▶ Muscle aches
- ▶ Fever
- ▶ Shortness of breath
- ▶ Headache

Doctors use chest x-rays or physical exams to check for pneumonia. Your doctor may also order tests on a sample of urine and sputum (phlegm) to see if your lung infection is caused by *Legionella*.

Legionnaires' Disease Is Serious, but Can Be Treated with Antibiotics

Legionnaires' disease is treated with antibiotics (drugs that kill bacteria in the body). Most people who get sick need care in a hospital but make a full recovery. However, about 1 out of 10 people who get Legionnaires' disease will die from the infection.

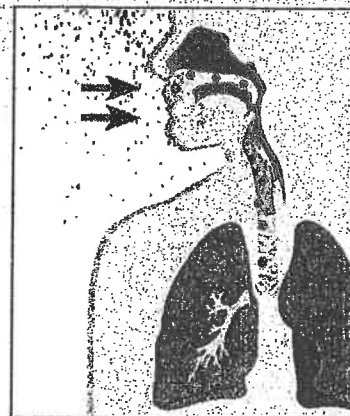

Certain People Are at Increased Risk for Legionnaires' Disease

Most healthy people do not get Legionnaires' disease after being exposed to *Legionella*. Being 50 years or older or having certain risk factors can increase your chances of getting sick. These risk factors include:

- ▶ Being a current or former smoker
- ▶ Having chronic lung disease, such as emphysema or chronic obstructive pulmonary disease (COPD)
- ▶ Having a weakened immune system from diseases like cancer, diabetes, or kidney failure
- ▶ Taking medication that weakens your immune system

Legionella Are Usually Spread through Water Droplets in the Air

In nature, *Legionella* live in fresh water and rarely cause illness. In man-made settings, *Legionella* can grow if water is not properly maintained. These man-made water sources become a health problem when small droplets of water that contain the bacteria get into the air and people breathe them in. In rare cases, someone breathes in *Legionella* while they are drinking water and it "goes down the wrong pipe" into the lungs. In general, people do not spread Legionnaires' disease to other people.

Legionnaires' disease, a type of severe pneumonia, is caused by breathing in small droplets of water that contain *Legionella*.

Common Sources of Infection

Outbreaks of Legionnaires' disease are often associated with large or complex water systems, like those found in hospitals, hotels, and cruise ships.

The most likely sources of infection include:

Water used for showering (potable water)

Cooling towers (parts of large air conditioning systems)

Decorative fountains

Hot tubs

NYCHA & Housing Committee Meeting Summary September 2, 2025

Committee Members Present: Antoinette Vereen, Anne Johnson, Helen Foreman-Hines

Committee Description: The NYCHA & Housing Committee represents the community's interests with regards to housing related matters and concerns, namely in relation to NYCHA, and acts as a liaison between community members and the New York City Housing Authority as well as local property owners and management teams.

I. Old Business

- A. BM Johnson would like help using the horseshoe for the trucks that drop-off food donations to Soundview Houses.
- B. Chair Vereen led a discussion about potential scheduling changes for the NYCHA & Housing meetings:
 - Chair Vereen suggested making the meeting hybrid, so that more people can attend
 - Vice Chair Johnson suggested 6PM as a protentional time for hybrid meetings
 - BM Foreman-Hines suggested moving the time back to 6:30PM or 7PM to accommodate people who are commuting from work.

II. New Business

- A. Chair Vereen would like the Homeowners Association and Mitchell-Lama tenants to become more involved with the NYCHA & Housing Committee.
- B. LeShonda Belton, Vice President of Sonia Sotomayor Houses, shared the following:
 - Sotomayor Houses have around 1400 tenants.
 - They host food distribution four times a month, which is open to all.
 - They also share the following resources: mammogram screening, blood pressure screening, and voting registration information.
- C. Community members shared the following concerns about the Lafayette Estates Development:
 - This development will exacerbate issues of overcrowding at schools, supermarkets, and on public transportation.
 - Green space has been paved to accommodate more parking spaces.
 - There are also safety concerns regarding the fumes from the development being less than 200 feet from residential building and this development is happening on marsh land, which is prone to flooding and erosion.
 - The community has had difficulties contacting the developers throughout this process:

- Many of the health and safety issues that the community raised with the developers were dismissed.
- The developers hosted a Zoom meeting but did not allow all community members to join because there was a capacity limit.
- The community has hosted a prayer walk, rally, and protest, which were covered on New 12. They are hoping to gain more support from other residents, organizations, and elected officials.
- D. Board members and community members highlighted that parking is a consistent issue in this district.
- E. A tenant reported an issue at Stevenson Commons with delayed trash pickups.
 - Board Members recommended contacting 311 and HPD to get that resolved.
- F. A community member reported an issue with having an unauthorized air conditioner charge on her rent.
 - Board Members recommended contacting the CB9 office staff for help with this.
- G. Vice Chair Johnson shared that contacting PSA8 for issues with NYCHA building may be helpful.
- H. Board Members and Community Members are interested in tabling at NYCHA buildings around the district to increase information about voting.
- I. Chair Vereen would like Officer Perez from NYPD Community Affairs to attend a future meeting.

Subject: Whole Foods, Plant-Based Cooking classes

***Restarting #WFPB Cooking Classes
at St Helena's Church, Parkchester
Classes will be bi-lingual English-Spanish***

I used to do Whole Foods, Plant-Based cooking classes at St. Helena's school, in the cafeteria once a month.

The next dates are:

- September 20th, 2025, 3-7 PM
- October 18th, 2025, 3-7 PM

Information can be found here:

<https://hippocrateessays.com/events/>

and my blog with recipes from the old classes is here:

<https://starlingaveplantbased.blogspot.com/>

You can email me at RogierFvV@HippocratesSays.com

When we are ready, there will also be regular announcements in the church bulletin.

Grocery Money: \$50 for the first two classes, and after that \$20/month.

Grocery Money needs to be paid at the rectory by Wednesday noon before the event at the rectory, ask for Rosemary.

On 10/05/2025, we are working with Plant Powered Metro New York, as the host of Lunch for doctors at Neerob Restaurant, 2096 Starling Ave, Bronx, NY 10462.

The speaker will be Dr. Zafar Mirza, President of the Pakistani Academy of Lifestyle Medicine (PALM), and formerly Minister of Health of Pakistan.

The lunch will be \$20 when you RSVP online through:

<https://plantpoweredmetrony.org/jumpstarts/october-2025/> or via the FB group,

<https://www.facebook.com/groups/ppmnyccommunity/events>

At the door it will be strictly subject to availability and \$25 per person.

Details here: <https://hippocratessays.com/dr-zafar-mirza-at-neerob/>

Our vision is a collaboration with the healthcare sector in Parkchester, for people with diabetes, heart disease, and generally any chronic conditions, which can be helped with a Whole Foods, Plant-Based diet. We note that all NYC hospitals now have Whole Foods Plant-Based diet on the menu, and generally recommend it to any patients with chronic conditions, since it is the most anti-inflammatory diet on the planet.

We will be inviting Parkchester area doctors to join ACLM, the American College of Lifestyle Medicine, and to get certified. Every year hundreds of doctors are getting this certification, to help turn the tide on the epidemic of chronic illness, for nutrition and healthy lifestyles are still the primary drivers for chronic disease reversal and prevention, with diabetes and heart disease foremost.

- <https://lifestylemedicine.org/certification/certification-for-physicians/>
- <https://lifestylemedicine.org/certification/certification-for-physicians/>

In the longer term, we would like to work with all area doctors to expand the support for lifestyle medicine in the Parkchester area.

To the Bangladeshi doctors in the area specifically, it would be great if you could work with colleagues in Bangladesh to join forces and start a Bangladeshi Lifestyle Medicine organization. You can ask Dr. Mirza about it. I am also friends with Dr. Shagufta Feroz who was the founder of PALM, and we can connect you to resources both in the USA and in Bangladesh.

Any Pakistani doctors could join PALM.

In general, we promote the work of Dr. Nandita Shah, *Reversing Diabetes in 21 Days*, as being the best guide for Whole Foods, Plant-Based lifestyle for the SE Asian community.

Community Board 9
September 18th, 2025
6:30pm - Shop Rite Community Room

Good evening, Community Board 9!

1. We recently hosted a Student Loan Webinar which focused on the new rules, risks, and relief options for student loans now and into 2026. If you missed the live session, don't worry you can watch the full webinar anytime on YouTube at the RepAOC channel.
2. The Congressional App Challenge is currently underway. This is Congress's premier STEM competition for middle and high school students, where thousands of young computer scientists compete by designing and creating apps. Winners will have the incredible opportunity to visit the Capitol and showcase their applications to members of Congress and other participants. The challenge will run until October 30th. Students interested in participating can sign up at congressionalappchallenge.us.
3. We have also been closely tracking community concerns about the increasing presence of ICE throughout New York City. Our office offers immigration casework services to assist constituents, and we encourage anyone needing help to visit our website for Know Your Rights materials. If you have an upcoming immigration court appointment, please review the legal resources available online, and if you are a constituent, consider preemptively signing a DHS Homeland Security privacy release form to help us better assist you.
4. Additionally, our office is currently accepting applications for nominations to military service academies until October 30th. If you know of High School Seniors who are looking to apply to West Point, the US Naval Academy, Air Force Academy, or Merchant Marine Academy please do not hesitate to contact our office at AOC.nominations@mail.house.gov.
5. We're tracking the potential for a government shutdown as we near the September 30th government funding deadline. Currently, Congressional leaders are negotiating a Continuing Resolution to keep the government funded at current spending levels. To stay informed about legislative developments, our upcoming events and resources, please subscribe to our newsletter on our website.

Finally, please remember that our office is here to assist you with any issues pending before federal agencies. You can reach us by phone at 718-662-5970, and we are available in-person at our Bronx office every Monday through Thursday from 9 a.m. to 5 p.m. We are located at 1231 Lafayette Ave, Suite L-610, Bronx, NY 10474.

Bronx Community 9 General Meeting Report – September 18th, 2025

Community Updates:

- **5 Bridges Project** - The Department of Transportation has removed options 1A and 1B from the proposals. These options would have created a permanent connector to the 5 overpasses between Rosedale Ave and Southern Boulevard. This decision was based on public hearings and efforts from our office and other elected officials to liaise from stakeholders and State DOT in the past year. This leaves the public with 2 options, a temporary connector for the 4-year duration of the construction of this project or no connector that would then extend the project to 6 years. DOT and the public continue to evaluate these options while the DOT continues to conduct an environmental assessment.
- **BJ's is coming to District 87** – Our office and other elected officials have met with representatives of BJ's, and they have informed us that they have secured a lease for the former Kmart Property in the Bruckner commons area. The landlord has started preliminary construction in the property and BJ's is set to start their construction in mid-October with an anticipation open date in the Fall of 2026. They expect to create a mix of 150 part-time and full-time job opportunities.
- **Castle Hill Business Walk-through** – Assembly Member Reyes did a walk-through of the Castle Hill Business Corridor with State Comptroller Thomas P. DiNapoli and State Senator Nathalia Fernandez with the Castle Hill Business Improvement District. They were able to return thousands of dollars in unclaimed funds to businesses in that area. As per a report from the Comptroller's office the Castle Hill area in the Bronx has \$68 million in unclaimed funds.

Previous Events:

- **Back-to-School Season** – The Back-to-School season was a huge success we were able to provide over 1,000 backpacks to our young students in our community! We had our main Parkchester event on Friday August 22nd. We partnered up with various community organizations such as the office of Senator Nathalia Fernandez, Morris Heights Health Center, the Mayor's PEU, the Fresh air Fund, SAPNA NYC, the Oyate Group, Justice4Families, and so much more to provide backpacks, school supplies and necessary information from all our offices.
- **Jamie Towers Shredding Event** – We hosted another successful shredding event on Friday, August 1st in partnership with the Department of Sanitation and we are hoping to host another one in the Parkchester area soon.
- **Housing Preservation & Development in District 87** – We hosted 2 HPD van events in our district this summer, the first was in front of our office in the Parkchester area on June 27th and the second was in front of Ponce Bank on July 18th. We had a good number of constituents come to get questions answered and caught the attention of folks walking by who needed the information.

Events:

- **Mammogram Bus** – For Breast Cancer Awareness Month, we are hosting a mammogram bus at no cost on Thursday, September 25th in front of our office at 1973 Westchester Ave, Bronx, NY 10462. Please call our office, visit the website: tinyurl.com/get-screened2025 or scan the QR code to make an appointment anywhere from 9 am – 4 pm. Women eligible are from ages 40 – 75, NYC resident, and have not had a mammogram in the past year.
- **6th Annual Trunk-or-Treat** – This year we will be hosting Trunk-or-Treat on Saturday October 25th from 11 am – 2 pm at Castle Hill Playground located at 1679 Castle Hill Ave, Bronx, NY 10462. Join us for all the spooky activities!

OFFICE OF THE
BRONX BOROUGH PRESIDENT
VANESSA L. GIBSON

September 2025 Community Board Report

COMMUNITY BOARDS

Welcome back Community board members! We hope you had a wonderful summer. A special welcome as well to our newly appointed members – we're excited to have you join us. We look forward to working alongside all of you in the year ahead and want to remind you all that our office is here to be a resource of information and support. Please don't hesitate to reach out with any questions of concerns.

Borough President Vanessa L. Gibson allocated nearly \$4.5 million in FY26 funding to support housing, infrastructure, and educational initiatives. Key investments include roof and façade repairs, new affordable housing construction, STEM labs and tech-forward learning environments. These investments reflect a strong commitment to housing stability and educational innovation in CB 9.

BOROUGH PRESIDENT GIBSON HOSTS COMMUNITY BOARD NEW MEMBER ORIENTATION AND SWEARING-IN CEREMONY

Bronx Borough President Vanessa L. Gibson hosted the annual Community Board New Member Orientation and Swearing-In Ceremony at Lehman College, welcoming over 70 new appointed members to the borough's 12 Community Boards. This year's ceremony marked the third in-person orientation and swearing-in ceremony since the pandemic, underscoring the vital role of local leadership and civic engagement across the Bronx.

This year, the Borough President's Office received over 500 applications, a reflection of the deep commitment Bronx residents have to serving and advocating for their communities. Of those selected, three-quarters are between the ages of 16 and 49, bringing fresh perspectives and renewed energy to their respective community boards. The appointees represent the borough's diversity, including parents, LGBTQIA+ residents, immigrants, veterans, union members, and non-native English speakers.

During the ceremony, a moment of silence was observed in memory of Pastor Marcel Langhorn Jr., who was recently appointed to Community Board 4 and tragically passed away on August 12th. The new member orientation date was also his birthday. Pastor Langhorn served as a peace officer at CUNY for more than 25 years, a member of the LACA chaplain association, and Senior Pastor of D3 Ministries. A devoted husband and father of nine, his service and legacy were honored by all in attendance.

"With over 500 Bronxites applying this year, it is clear that our residents want to play a critical

role in shaping the future of our borough," said **Bronx Borough President Vanessa L. Gibson**. "This class of community board appointees truly reflects the beautiful diversity and spirit of the Bronx—parents, youth, immigrants, union members, veterans, and neighbors who are committed to enacting change in their neighborhoods. Congratulations to all the new members! We wish them the very best and look forward to their advocacy."

The orientation equipped new members with tools and resources to begin their service, including workshops on parliamentary procedure, land use and planning, civic engagement, and conflict of interest guidelines. The evening also reinforced the Community Board Code of Conduct, implemented in 2023, which emphasizes professionalism, respect, and accountability—principles for effective community leadership as boards transition back to in-person meetings.

BOROUGH PRESIDENT GIBSON HOSTS PRESS CONFERENCE ANNOUNCING \$1.5 MILLION INVESTMENT IN PUBLIC SAFETY

\$1.5 Million to fund '*Clean Streets are Safe Streets*' initiative to combat illegal dumping

Bronx, NY—On Tuesday, August 26th, at 10:00 a.m., Bronx Borough President Vanessa L. Gibson joined representatives from the NYPD, DSNY, NYC Parks, NYC DOT, the Sanitation Foundation, and ASEZ WAO to host a press conference at Lou Gehrig Plaza to announce a \$1.5 million investment in public safety. This includes \$1 million to the NYPD for enhanced surveillance, including the installation of new security cameras, and \$500,000 to DSNY for security cameras as part of the Borough President's '*Clean Streets are Safe Streets*' initiative. These investments represent a critical step toward combating illegal dumping, enhancing public safety, and improving the quality of life for Bronx residents.

This announcement builds on the commitments Borough President Gibson outlined during her 2025 State of the Borough address, where she pledged to prioritize funding to combat illegal dumping. In FY25, the Bronx Borough President's Office allocated resources for security cameras and a mobile command unit, and this year's allocations expand on that foundation with additional targeted investments in public safety.

"Bedroom sets and mattresses belong in our homes, but they do *not* belong on our streets, in our parks, or in our playgrounds," said Bronx Borough President Vanessa L. Gibson. "Today, we are joining with our city agencies and community groups to send a clear message: if you dump on the Bronx, you will be held accountable. Our parks and sidewalks belong to all of us, and it's up to each of us to help take care of them. When we respect and preserve our shared spaces, we are fostering community pride and making our neighborhoods safer. I want to thank the NYPD, DSNY, NYC Parks, NYC DOT, the Sanitation Foundation, and ASEZ WAO for their partnership on our '*Clean Streets are Safe*' Streets initiative and commitment to improving our residents' quality of life."

"I am pleased to be here with Borough President Vanessa Gibson to announce funding to help the Bronx be the pretty place it can and should be," said Bronx District Attorney Darcel Clark. "That

means pristine parks and clean streets and sidewalks. It means the beauty of feeling safe. The bulk of the \$1.5 million Borough President Gibson is allocating will go to the NYPD for cameras in high-crime spots. \$500,000 will go to Sanitation, to install cameras to deter illegal dumping. Our residents should not have eyesores and potentially dangerous items ruining our environment. We hope the City will install these as soon as possible. We need help to stop illegal dumping, and to curb violence.”

During the press conference, the Borough President also highlighted ASEZ WAO and the Sanitation Foundation, two groups she collaborated with over the summer to host cleanups across the borough to promote community pride, environmental responsibility, and safer streets. These initiatives brought together youth volunteers and local residents to promote community engagement and involvement.

BOROUGH PRESIDENT GIBSON'S STATEMENT ON THE REPURPOSING OF THE HISTORIC BRONX GENERAL POST OFFICE

New York City Mayor Eric Adams, The City University of New York (CUNY) Chancellor Félix V. Matos Rodríguez, Hostos Community College President Dr. Daisy Cocco De Filippis, and MADD Equities announced today \$12.3 million in funding to lease a new space that will serve as a life sciences facility for Hostos Community College in the Bronx. With \$12.3 million in baselined funding from the city, developer BPO Owner LLC will embark on an approximately \$70 million renovation of a portion of the historic Bronx General Post Office to develop a state-of-the-art facility for healthcare programs.

"Repurposing the historic Bronx General Post Office into a center for learning and discovery shows how we're reimagining space to empower our Bronx scholars. In these new labs and classrooms, students will gain the hands-on training they need to enter careers in health and science that are not only high-demand but life-sustaining for their families. This means more nurses, radiology technicians, dental hygienists, and soon, new programs in surgical nursing, occupational therapy, surgical technology, and home health care. I want to thank Mayor Eric Adams, CUNY Chancellor Félix Matos Rodríguez, Hostos President Dr. Daisy Cocco De Filippis, and the Maddd Equities team for their investment in our scholars and our Borough."

BOROUGH PRESIDENT GIBSON JOINS COMMUNITY LEADERS TO LAUNCH HEALTHY BODEGA/BODEGA FRESCA "2025 HEALTHY FALL CHOICES" MENU

Bronx Borough President Vanessa L. Gibson joined community partners to celebrate the launch of the Healthy Bodega/ Bodega Fresca "2025 Healthy Fall Choices" menu. This initiative brings fresh, culturally inspired grab-and-go meals and snacks into local bodegas in the South Bronx, ensuring Bronx residents have access to affordable, nutritious, and delicious food options in neighborhoods historically impacted by food insecurity.

"This healthy bodega initiative is about justice. It's about transforming bodegas into spaces where health and culture meet and our families can find affordable, fresh meals that reflect who we are and where we come from," said Bronx Borough President Vanessa L. Gibson. "I want to thank all the partners involved in this project for their partnership and commitment to ensuring access to

healthy food remains a right for all and not a privilege for a select few."

"For years, we've worked alongside Bronx families to reshape food access and push for systemic solutions. Healthy Bodega/Bodega Fresca is a direct result of this shared advocacy and strategic collaboration," said Shen'naque Sean Butler, Founder of the FRESCH Initiative.

"It's time for bodegas to be part of the solution to our community health challenges," said Francisco Marte, President of the Bodega and Small Business Group. "We are proud to have brought Bronx bodega owners together in a partnership that shows what's possible when store owners and community leaders join forces to create profitable, healthy food options. Our mission is Healthy Bodegas and Healthy Communities."

"We are excited that six Bronx bodegas are offering healthier and affordable food choices to their customers," said Bronx Health REACH Project Director Charmaine Ruddock. "These grab-and-go offerings make it accessible for Bronx residents to eat healthier at their local bodegas."

"At Collective Fare, our 'secret sauce' lies in the blend of passion, purpose and community-centered values that drive everything we do. We're not just about serving incredible food; we're about creating experiences that leave a positive impact on both people and the planet," said LaToya Meaders, CEO of Collective Fare and Kitchen.

Bodega Fresca was created to bring fresh, culturally inspired grab-and-go foods into Bronx neighborhood corner stores with bodega and community leadership at the forefront. Sponsored by a grant from the New York Health Foundation, this unique collaboration of commercial and public health partners continues to work directly with Bronx consumers, bodegas, schools, and community groups to taste-test, design, and produce family-focused, healthy, and delicious Grab and Go meals and snacks for sale at local bodegas in the Hunts Point/Longwood area.

The new *Healthy Bodega/Bodega Fresca* Fall lineup, specially crafted by Collective Fare, includes energizing cold fresh-squeezed drinks (lightly sweetened with agave and honey) and crunchy, crave-worthy snacks. New items include:

Refresh-Red Limeade (zesty lime, beet, hibiscus, raspberry--packed with anti-oxidants); Coconut Carrot Ginger Glow Coolers (creamy coconut, carrot, ginger, citrus, turmeric); *Tropical Mint Coolers* (pineapple, cucumber, lime, mint), plus sweet island-inspired snacks for school, work or gym, a natural energy boost with no crash: *Coconut and Guava Oatmeal Energy Bites* (soft and chewy) and *Spiced Coconut, Chia and Tamarind Granola Bites*.

BOROUGH PRESIDENT GIBSON ANNOUNCES GREATER MORRIS PARK PUBLIC WORKSHOP TO GATHER COMMUNITY FEEDBACK AS PART OF THE NYS DEPARTMENT OF STATE'S DOWNTOWN REVITALIZATION INITIATIVE (DRI) \$20 MILLION GRANT

Bronx Borough President Vanessa L. Gibson invites the Greater Morris Park community to attend a Public Workshop to help shape the neighborhood's future as part of the New York State Downtown Revitalization Initiative (DRI). Greater Morris Park has been awarded \$20 million

through the DRI to implement catalytic projects that will strengthen commercial corridors, support long-term economic growth, and enhance quality of life.

GREATER FORDHAM ROAD CORRIDOR

Downtown Revitalization Initiative

NOW ACCEPTING CAPITAL PROJECT PROPOSALS

The Bronx Borough President's Office is pleased to announce that we are now accepting capital project proposals for consideration as part of the Greater Fordham Road Corridor Downtown Revitalization Initiative (DRI) application for 2025. This effort aims to advance equitable, community-driven investment in the Fordham, Kingsbridge Heights, and Belmont neighborhoods.

We are seeking project ideas that can deliver long-term economic development, enhance the public realm, or improve neighborhood infrastructure. All proposals must:

- Be located within the Greater Fordham Road Corridor DRI study area (see project boundaries map)
- Be capital in nature (bricks-and-mortar, physical infrastructure, etc.)
- Support improvements that serve the broader community

Whether you are part of a nonprofit, cultural institution, small business, or a concerned community member with a vision for meaningful change — we welcome your input.

How to Submit a Project

Please fill out the DRI Project Submission Form and send it to:

Re-entry Employment Resource Fair

The Bronx District Attorney's Office is hosting a **Re-entry Employment Resource Fair** for justice-impacted individuals re-entering the community. This event will be held on **Tuesday, September 30, 2025, from 10 a.m. to 2 p.m.** at **St. James Recreation Center, 2530 Jerome Ave, Bronx NY 10468.**

This fair is designed to support individuals, their families, and friends impacted by the justice system by connecting them with valuable community resources, including job opportunities, employment support, DMV services for ID assistance, health and mental health care, legal rights education, and access to educational and trade programs.

Please share this information and flyer! Bring your ID or another form of identification, certifications, OSHA credentials, and resume. All are welcome, dress to impress and take the next step toward your future! "

8th Annual Run/Walk/Roll to End Domestic Violence

The Bronx District Attorney's Office, in partnership with the Bronx Borough President's Office, Urban Resource Institute, 161 Street BID, and the New York Yankees, is holding our **8th Annual Run/Walk/Roll to End Domestic Violence on Saturday, October 18th, 2025**, as part of Domestic Violence Awareness Month.

All are welcome to join DA Clark, your colleagues, survivors of abuse, and other members of the community in our BXDA annual event. Survivors will begin the event by

speaking about their experiences and bravery. Not only will we raise awareness, we will demand a call to action so that the ultimate goal of ending domestic violence may someday be realized.

The event starts and ends at **Lou Gehrig Plaza near the Supreme Court steps at 161st Street and the Grand Concourse at 9:30 AM**. The first 1000 to register and attend will receive a DV 5K T-shirt. The first 1000 to complete the 5K will receive a DV 5K Run/Walk/Roll medal. You can register using the link below or scan the QR code on the attached flyer.
