Legislation with Both Assembly and Senate Sponsors

Organized by Issue Category

DOMESTIC VIOLENCE

1. Protection Order Violations

- **Bill Numbers:** S3117 / A4499
- **Description:** Provides that persons arrested for domestic violence forfeit bail when violating an order of protection. *This bill addresses the "revolving door" problem where abusers can repeatedly violate orders of protection by simply posting bail, creating a stronger deterrent and keeping victims safer during court proceedings.*
- **Sponsors:** Sen. Pamela Helming (R) / AM Jeff Gallahan (R)
- **Committee Dates:** 1/23/25 and 2/4/25
- **Links:** [S3117](#) / [A4499](#)

2. Lifetime Orders of Protection

- **Bill Numbers:** S150 / A5222
- **Description:** Allows lifetime orders of protection when the respondent is convicted of certain felonies or an attempt to commit such felonies. *Currently, orders of protection expire after a set period, forcing victims to repeatedly seek renewals and potentially confront their abusers in court; this bill would provide permanent protection for victims of serious felonies without requiring them to relive their trauma.*
- **Sponsors:** Sen. Anthony Palumbo (R) / AM Joe Destefano (R)
- **Committee Dates:** 1/8/25 and 1/12/25
- **Links:** [S150](#) / [A5222](#)

3. Supervised Visitation Initiative

- **Bill Numbers:** S3938 / A65
- **Description:** Directs the establishment of a statewide supervised visitation initiative including culturally sensitive services with language access and affordability considerations. *Many communities lack adequate supervised visitation facilities, creating barriers for families impacted by domestic violence; this bill would ensure safe, affordable options for parents who need supervision during child visitation and require regular assessments to ensure quality of services.*
- **Sponsors:** Sen. Brad Hoylman-Sigal (D) / AM Andrew Hevesi (D)

- **Committee Dates:** 1/30/25 and 1/8/25
- **Links:** [S3938](#) / [A65](#)

4. Anti-Stalking Orders ("CREEP Act")

- **Bill Numbers:** S3394 / A3226
- **Description:** Provides for the issuance of anti-stalking orders for repeated and extremely egregious predatory behavior. *Current laws often don't adequately protect stalking victims until physical harm occurs; this bill would allow courts to issue specific anti-stalking orders earlier in the process, potentially preventing escalation and providing law enforcement with clearer authority to intervene in stalking situations.*
- **Sponsors:** Sen. Andrew Gounardes (D) / AM Jessica Gonzalez-Rojas (D)
- **Committee Dates:** 1/27/25 and 1/24/25
- **Links:** [S3394](#) / [A3226](#)

5. Enhanced Penalties for Domestic Violence

- **Bill Numbers:** A4497 / S3453
- **Description:** Relates to enhancing penalties and protecting victims of crimes of domestic violence. *This comprehensive bill increases penalties for repeat domestic violence offenders and creates a graduated system where penalties increase with each subsequent offense; it also expands the definition of family/household member to include individuals in intimate relationships who don't live together.*
- **Sponsors:** AM Jeff Gallahan (R) / Sen. Pamela Helming (R)
- **Committee Dates:** 2/4/25 and 1/27/25
- **Links:** [A4497](#) / [S3453](#)

6. Domestic Violence Crimes Classification

- **Bill Numbers:** A3206 / S1159
- **Description:** Establishes domestic violence crimes when committed against a family or household member; defines specified offenses and sets criteria for disposition. *Currently, domestic violence is charged under general assault or harassment laws rather than as a distinct crime; this bill would create specific domestic violence crime categories that acknowledge the unique nature of these offenses and allow better tracking of domestic violence cases in the criminal justice system.*
- **Sponsors:** AM Jen Lunsford (D) / Sen. Jeremy Cooney (D)
- **Committee Dates:** 1/23/25 and 1/8/25
- **Links:** [A3206](#) / [S1159](#)

7. Lethality Assessment Requirements

- **Bill Numbers:** S2280 / A4899

- **Description:** Requires law enforcement officers to conduct a lethality assessment as part of the standardized domestic incident report when responding to domestic violence. *Research shows many domestic homicides are preceded by escalating warning signs; this bill would require officers to use a standardized tool to identify high-risk situations where intervention could prevent fatalities, and immediately connect high-risk victims with services.*
- **Sponsors:** Sen. Lea Webb (D) / AM Sarah Clark (D)
- **Committee Dates:** 1/16/25 and 2/10/25
- **Links:** [S2280](#) / [A4899](#)

8. Phoenix Act (Statute of Limitations)

- **Bill Numbers:** S3909 / A296
- **Description:** Extends the statute of limitations for family offenses to ten years for felonies and five years for misdemeanors. *Named after a Phoenix rising from ashes, this bill recognizes that domestic violence victims often need time to safely leave their abusers before pursuing legal action; the current short statutes of limitation often expire before victims feel safe enough to come forward.*
- **Sponsors:** Sen. Kevin S. Parker (D) / AM Catalina Cruz (D)
- **Committee Dates:** 1/30/25 and 1/8/25
- **Links:** [S3909](#) / [A296](#)

9. Contract Opt-Out for DV Victims

- **Bill Numbers:** S2416 / A1841
- **Description:** Authorizes individuals to opt-out of shared contracts without penalty due to domestic violence victim status; prevents account transfer to other holders. *Shared contracts (like cell phone plans, leases, or utilities) often serve as economic handcuffs keeping victims tied to abusers; this bill would allow victims to escape financial entanglements without credit damage, early termination fees, or having financial obligations transferred to them.*
- **Sponsors:** Sen. Kevin S. Parker (D) / AM Linda Rosenthal (D)
- **Committee Dates:** 1/17/25 and 1/14/25
- **Links:** [S2416](#) / [A1841](#)

SEX OFFENDER REGISTRY & MONITORING

1. Visitor Registration Requirements

- **Bill Numbers:** S155 / A3179
- **Description:** Requires nonresident visitor sex offenders to register when temporarily residing in NY; requires notification to nearby property owners. *Currently, sex offenders from other states can visit New York for extended periods without registering, creating a*

loophole in the notification system; this bill would close that gap by requiring registration for visitors staying more than 14 days and mandate that short-term rental hosts inform nearby residents.

- **Sponsors:** Sen. Anthony Palumbo (R) / AM Matthew Simpson (R)
- **Committee Dates:** 1/8/25 and 1/23/25
- **Links:** [S155](#) / [A3179](#)

VICTIM'S RIGHTS & SEX TRAFFICKING

1. Sex Trafficking Civil Actions

- **Bill Numbers:** A2575 / S116
- **Description:** Extends statute of limitations for sex trafficking actions, revives barred actions, grants trial preference, and exempts from certain notice requirements. *Trafficking survivors often can't pursue justice until years after escaping due to trauma, fear, and coercion; this bill would give victims more time to bring civil suits against traffickers and uniquely allows previously time-barred cases to be revived for a limited window.*
- **Sponsors:** AM Jeffrey Dinowitz (D) / Sen. Cordell Cleare (D)
- **Committee Dates:** 1/17/25 and 1/8/25
- **Links:** [A2575](#) / [S116](#)

CHILD SEX ABUSE & PENALTIES

1. Sexual Offenses Against Children

- **Bill Numbers:** S490 / A490
- **Description:** Includes instances of sexual conduct against children under 17 to certain sex offenses; removes time limit for subsequent offenses. *This bill closes a loophole in current law that limits how past sexual offenses against minors can be considered in subsequent prosecutions; by removing these time restrictions, it ensures repeat offenders face appropriate consequences regardless of when previous offenses occurred.*
- **Sponsors:** Sen. Nathalia Fernandez (D) / AM Andrew Hevesi (D)
- **Introduction Date:** 1/8/25
- **Links:** [S490](#) / [A490](#)

2. Penalties for Sex Crimes Causing Death

- **Bill Numbers:** S1933 / A5783
- **Description:** Provides elevated charges when sex crimes against minors result in death. *This bill specifically addresses a gap in current first-degree murder statutes by ensuring that adult perpetrators who cause death while committing sexual crimes against minors*

face the most severe penalties, regardless of whether the death was intentional or occurred during the commission of the crime.

- **Sponsors:** Sen. Bill Weber (R) / AM Pat Chludzinski (R)
- **Introduction Dates:** 1/14/25 and 1/20/25
- **Links:** [S1933](#) / [A5783](#)

PENALTIES FOR CRIMES AGAINST OFFICERS

1. Murder of Officers Penalties

- **Bill Numbers:** A1480 / S942
- **Description:** Makes life imprisonment without parole mandatory for murder when victim is a police officer, peace officer, first responder, or correctional officer. *Currently, those convicted of murdering first responders may be eligible for parole after 20-25 years; this bill would remove judicial discretion in sentencing and ensure that anyone who intentionally takes the life of law enforcement or emergency personnel would face the strongest possible penalty.*
- **Sponsors:** AM Joe Angelino (R) / Sen. Patrick Gallahan (R)
- **Introduction Dates:** 1/10/25 and 1/8/25
- **Links:** [A1480](#) / [S942](#)

2. Auxiliary Police Protection

- **Bill Numbers:** S1190 / A1681
- **Description:** Relates to increased punishment for certain actions against on-duty auxiliary police officers. *Auxiliary officers are volunteers who support law enforcement but don't receive the same legal protections as sworn officers; this bill would extend similar criminal penalties for assaults, menacing, or criminally negligent homicide against these volunteer officers as currently exist for regular police.*
- **Sponsors:** Sen. Joseph Addabbo (D) / AM David Weprin (D)
- **Introduction Dates:** 1/8/25 and 1/14/25
- **Links:** [S1190](#) / [A1681](#)

- **Description:** Establishes crime of forcible touching of a correction officer; increases penalties for sexual offenses against correction officers. *Correctional officers face unique workplace risks including sexual assault by inmates; this bill addresses the power dynamic by specifically criminalizing forcible touching of officers and enhancing penalties for sexual offenses committed against officers during the course of their duties.*
- **Sponsors:** AM David Weprin (D) / Sen. Jessica Scarcella-Spanton (D)
- **Introduction Dates:** 1/14/25 and 1/28/25

- **Links:** [A1742](#) / [S3517](#)

PENAL CODE UPDATES

1. Murder After Sexual Offenses

- **Bill Numbers:** A2559 / S2645
- **Description:** Expands the definition of murder in the first degree to include murder occurring after an attempt to commit certain sexual offenses. *Currently, first-degree murder charges only apply when a killing occurs during the attempted commission of certain felonies; this bill would extend that to include killings that happen after a sexual offense attempt, recognizing that perpetrators may kill victims after failed sexual assaults to prevent identification or testimony.*
- **Sponsors:** AM Stephen Hawley (R) / Sen. Patrick Gallivan (R)
- **Introduction Dates:** 1/17/25 and 1/22/25
- **Links:** [A2559](#) / [S2645](#)

2. Intimate Image Protections

- **Bill Numbers:** S205 / A2226
- **Description:** Establishes protections against threats to disseminate intimate images. *Current "revenge porn" laws only apply when images are actually shared, leaving victims without recourse when threatened with distribution; this bill would criminalize the threat to share intimate images as part of coercive control, addressing how abusers increasingly use digital content as blackmail to prevent victims from leaving relationships.*
- **Sponsors:** Sen. Monica Martinez (D) / AM Edward Braunstein (D)
- **Introduction Dates:** 1/8/25 and 1/15/25
- **Links:** [S205](#) / [A2226](#)
