AGENDA

1) Presentation of reconstruction of the sidewalks at the Metropolitan Recreation Center, Presenting Allaire O'Connor

2) North Brooklyn Parks Alliance Summer Launch, Presenting Katie Denny Horowitz

3) Pickleball is the fastest growing sport in the United States. With 39% growth in the past 2 years, and 36.5 million active players, it has become the third most popular active recreational activity after running and cycling. In Brooklyn, there are only 3 public parks with pickleball courts for a population of over 2.5 million residents, and none of these parks service North Brooklyn neighborhoods. Players in these areas are forced to create makeshift courts in underutilized spaces. We are presenting the need for construction of pickleball courts in identified prospective parks in Williamsburg/Greenpoint. Presenting Anna Garwood, Founder, Williamsburg Pickleball, Jose Mena - Director, Kevin Durant Charity Foundation at Thirty-Five Ventures, Samin Odhwani, Director Business Operations, Thirty Five Ventures.

4) Discussion on adding Hours to Woman's swim time at Metropolitan pool, Bella Sabel
