**TIME:** 6:00 PM  
**WHERE:** Swinging Sixties Senior Center  
211 Ainslie Street  
Brooklyn, NY 11211  
(Corner of Manhattan Avenue)

---

## AGENDA

- Briefing on the April 1 Fatal Shooting of 7-Month-Old Kaori Patterson-Moore in East Williamsburg**  
The Committee has invited representatives from the NYPD 90th Precinct and relevant NYPD officials to brief the Board on the April 1, 2026, fatal shooting of 7-month-old Kaori

Patterson-Moore, who was struck by gunfire while being pushed in a stroller at the intersection of Humboldt and Moore Streets. The Committee seeks to understand the precinct's response, ongoing public safety conditions in the affected area, and what steps are being taken to prevent similar tragedies.

The Board extends its deepest condolences to Kaori's family and to all members of the community affected by this devastating loss.

2. **Discussion of New York State Senate Bill S7263 — *Liability for Chatbot Responses Impersonating Licensed Professionals***

The Committee will discuss NY Senate Bill S7263, sponsored by Senator Kristen Gonzalez, which would impose civil liability on chatbot operators whose AI systems provide substantive responses in domains governed by licensed professionals — including medicine, law, mental health counseling, nursing, pharmacy, and engineering, among others. The bill has passed out of the Senate Internet and Technology Committee and was advanced to third reading as of March 2026.

Community members have raised concerns and suggestions regarding this legislation. The Committee invites residents to share their perspectives on how S7263 may affect access to information and services in our district.

# STATE OF NEW YORK

7263

2025-2026 Regular Sessions

## IN SENATE

April 7, 2025

Introduced by Sen. GONZALEZ -- read twice and ordered printed, and when printed to be committed to the Committee on Internet and Technology

AN ACT to amend the general business law, in relation to imposing liability for damages caused by a chatbot impersonating certain licensed professionals

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The general business law is amended by adding a new section  
2 390-f to read as follows:

3 § 390-f. Liability for chatbot responses. 1. As used in this section,  
4 the following terms shall have the following meanings:

5 (a) "Artificial intelligence system" or "AI system" shall mean a  
6 machine-based system or combination of systems, that for explicit or  
7 implicit objectives, infers, from the input it receives, how to generate  
8 outputs such as predictions, content, recommendations, or decisions that  
9 can influence physical or virtual environments. Artificial intelligence  
10 shall not include any software used primarily for basic computerized  
11 processes, such as anti-malware, anti-virus, auto-correct functions,  
12 calculators, databases, data storage, electronic communications, fire-  
13 wall, internet domain registration, internet website loading, network-  
14 ing, spam and robocall-filtering, spellcheck tools, spreadsheets, web  
15 caching, web hosting, or any tool that relates only to internal manage-  
16 ment affairs such as ordering office supplies or processing payments,  
17 and that do not materially affect the rights, liberties, benefits, safe-  
18 ty or welfare of any individual within the state.

19 (b) "Chatbot" shall mean an artificial intelligence system, software  
20 program, or technological application that simulates human-like conver-  
21 sation and interaction through text messages, voice commands, or a  
22 combination thereof to provide information and services to users.

23 (c) "Proprietor" shall mean any person, business, company, organiza-  
24 tion, institution or government entity that owns, operates or deploys a

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD10388-04-5

1 chatbot system used to interact with users. Proprietors shall not  
2 include third-party developers that license their chatbot technology to  
3 a proprietor.

4 2. (a) A proprietor of a chatbot shall not permit such chatbot to  
5 provide any substantive response, information, or advice, or take any  
6 action which, if taken by a natural person:

7 (i) would constitute a crime under section sixty-five hundred twelve  
8 or sixty-five hundred thirteen of the education law in relation to the  
9 professions whose licensure is governed under articles one hundred thir-  
10 ty-one, one hundred thirty-three, one hundred thirty-five, one hundred  
11 thirty-six, one hundred thirty-seven, one hundred thirty-nine, one  
12 hundred forty-one, one hundred forty-three, one hundred forty-five, one  
13 hundred forty-seven, one hundred fifty-three, one hundred fifty-four,  
14 and one hundred sixty-three of the education law; or

15 (ii) would violate the provisions of article fifteen of the judiciary  
16 law prohibiting the practice or appearance as an attorney-at-law without  
17 being admitted and registered under such article.

18 (b) A proprietor may not waive or disclaim this liability merely by  
19 notifying consumers that they are interacting with a non-human chatbot  
20 system.

21 3. A person may bring a civil action to recover actual damages and, if  
22 it is found that such proprietor has willfully violated this section,  
23 the violator shall be liable for actual damages together with costs and  
24 reasonable attorneys' fees and disbursements incurred by the person  
25 bringing such action.

26 4. Proprietors utilizing chatbots shall provide clear, conspicuous and  
27 explicit notice to users that they are interacting with an artificial  
28 intelligence chatbot program. The text of the notice shall appear in the  
29 same language the chatbot is using and in a size easily readable by the  
30 average viewer and no smaller than the largest font size of other text  
31 appearing on the website on which the chatbot is utilized.

32 § 2. This act shall take effect on the ninetieth day after it shall  
33 have become a law.
