

REGISTER OF COMMUNITY BOARD BUDGET REQUESTS

For the Preliminary Budget Fiscal Year 2025

Brooklyn 13

The City of New York
Eric Adams, Mayor

FY 2025 Preliminary Budget Register of Community Board Budget Priorities

The Register of Community Board Budget Requests for the Preliminary Budget reports the FY 2025 Preliminary budget status of each of the projects and programs requested by the City's 59 community boards.

The FY 2025 Register is the charter mandated product of a dynamic and cyclical budget process for the 59 community boards. The community boards consult with agencies on the capital and expense needs of the district. After consulting, each community board develops and votes separate priorities for up to 40 capital and 25 expense budget requests which the agencies review and respond to in the **Register of Community Board Requests for the Preliminary Budget** in January.

The Mayor's Office of Management and Budget (OMB) reviews these same budget requests and updates the responses for the Executive Budget, publishing them in the **Register of Community Board Requests for the Executive Budget** in April.

In May, the City Council holds public hearings on the Executive Budget. At these hearings, community boards, community groups and interested citizens may comment on the budget decisions contained in the Register.

In June, OMB publishes the **Register of Community Board Budget Requests for the Adopted Budget** which informs the boards of the final disposition of their original budget priorities. The Adopted Register contains responses that reflect the changes made to the Executive Budget by the City Council.

Capital project requests from community boards are site specific, and primarily for infrastructure or public facility improvements.

For more specific information about programs important to the community boards, refer to each agency's section in the Message of the Mayor for the Executive Capital and Expense Budgets.

Call 212-788-6129 for more information about the community board process including consultations, and the geographic versions of budget documents.

FORMAT OF THE REGISTER

The Register of Community Board Budget Requests is sorted into four versions: Community Board, Borough, Council and Agency. In all versions of the Register, each board's expense requests directly follow their capital requests. The requests are in board order.

LAYOUT OF BUDGET REQUESTS PAGES

Column 1: Priority Number

The priority assigned by a community board reflects the importance of that request as compared to its other requests. Boards may assign Continued Support (CS) to a project which received funding for construction in any year of the current Financial Plan.

Column 2: Tracking Code

The nine-digit identification number assigned to each community board budget request. Tracking codes are unique to each request and identify the borough, community district, year submitted, and request. The first digit refers to the borough, 1 = the Bronx, 2 = Brooklyn, 3 = Manhattan, 4 = Queens, and 5 = Staten Island; the second and third digits indicate the district number. The fourth through seventh digits represent the fiscal year for which the request was submitted, and the last two digits are the request number. The tenth character indicates whether it is a capital ("C") or expense ("E") budget request.

Column 3: Project Information

Request: A brief description of the project.

Explanation: Supporting information detailing the project, and its potential benefits.

Responsible Agency: The City agency which would implement the project.

Budget Line Number: The number assigned to a capital project that was previously funded or is included in any year of the current Financial Plan.

PROJECT ID: The Capital Project Information System identification number which allows projects to be entered into the City's computer tracking system. The number of the managing agency and the project identification number make up the PROJECT ID of the project.

Source of Request: Any group(s) which support the request.

Column 4: Response

The Preliminary Budget recommendation for each budget request.

01	213202201C	<p>Request: Improve access to a building in a park</p> <p>Explanation: Rehabilitation of the Riegelmann Boardwalk in Coney Island and Brighton Beach. The boardwalk has been falling apart and need more maintenance to prevent any accidents from happening. Also, there needs to be some type of solution to get rid of the heavy vehicles that are not needed on the boardwalk. In addition, there needs to be a study on the storm surge and its effect on the different type of materials for the boardwalk.</p> <p>Responsible Agency: Department of Parks and Recreation</p>	This project is funded and is in the design phase.
02	213202202C	<p>Request: Other health care facilities requests</p> <p>Explanation: A C1 Trauma Center is needed in South Brooklyn Health (formerly known as Coney Island Hospital). With the increasing population due to new housing development and the influx of tourists during the summer time, we need a C1 Trauma Center in the neighborhood. We understand that this is not a City Budget item but we need to make this aware to the city, state and federal government, that this is a priority for the neighborhood.</p> <p>Responsible Agency: Health and Hospitals Corporation</p> <p>Location Site Name: Coney Island Hospital Address: Ocean Parkway Site Street: Ocean Parkway</p>	The costs and efforts needed to submit and operate a Trauma Center would make this an unsustainable proposition. The hospital administration appreciates the CB's support of the capital and expense requests being made annually and for its overall support of the Hospital's programs.

03	213202203C	<p>Request: Other requests for park, building, or access improvements</p> <p>Explanation: We need shoreline protection for the entire shorefront. This task requires multi-agencies to address this issue. The Army Corp of Engineers, Office of Resiliency and Recovery, Department of Environmental Protection, Parks Department, and other agencies needs to have short term and long term plans to handle the next storm. This is a long process that needs immediate attention and funding. Plans include but not limited to planting sea grass, green street gardens (bio swelles), back flow prevention valves, sea walls, etc.</p> <p>Responsible Agency: Department of Parks and Recreation</p>	Further study by the agency of this request is needed.
04	213202204C	<p>Request: Provide new or upgrade existing sanitation garages or other sanitation infrastructure</p> <p>Explanation: Construction of Sanitation Garage for Community Board #13 has been promised to the community since the 1980s. The current site on West 21 Street and Neptune Avenue, are situated behind people's backyards. 06	213202206C	<p>Request: Provide a new, or new expansion to, a building in a park</p> <p>Explanation: We need a New recreational center in our community. The community needs an affordable recreational center that will be intergenerational, multicultural, educational, nature conservatory, adult vocational training center, emergency center, greenhouse, boathouse, sport related activities, indoor skate board park, boxing ring, etc. This center could be located behind Mark Twain JHS which would wrap around to West 23rd Street to West 25th Street. This would also include parking space/garage for people using the facility. We would like to model the recreational center like Ocean Breeze Complex in Staten Island.</p> <p>Responsible Agency: Department of Parks and Recreation</p> <p>Location Site Name: Kaiser Park</p>	<p>Department of Parks and Recreation funds are insufficient for this project. We recommend this project be brought to the attention of your elected officials, i.e. Borough President and/or City Council member.</p>
07	213202207C	<p>Request: Provide surveillance (Argus) cameras</p> <p>Explanation: Sufficient funds are requested for surveillance cameras in chronic troubled locations to provide enhanced security to enable law enforcement efforts to better monitor high crime areas including but not limited to the Coney Island and Brighton Beach areas but also the amusement area including the Riegelmann Boardwalk, and other chronic high crime locations in the district.</p> <p>Responsible Agency: Police Department</p>	<p>Argus cameras are funded via allocations from elected officials for use within their districts. Specific location recommendations should be provided to the local precinct commander for submission to the Information Technology Bureau once funding is allocated. The NYPD will attempt to accommodate specific location requests whenever funding is provided, but reserves the right to place cameras as appropriate due to current crime trends and operational needs.</p>

14	213202214C	<p>Request: Other requests for park, building, or access improvements</p> <p>Explanation: Construct bathrooms on Boardwalk, on the west end of peninsula; Add more drinking fountains and boardwalk showers.</p> <p>Responsible Agency: Department of Parks and Recreation</p>	Department of Parks and Recreation funds are insufficient for this project. We recommend this project be brought to the attention of your elected officials, i.e. Borough President and/or City Council member.
15	213202215C	<p>Request: Renovate or upgrade a senior center</p> <p>Explanation: With the growing senior population in the district, we need more senior centers. Public land is limited in the area. A multi-use facility must be built as a multicultural, intergenerational, recreational center on City owned land. There is city owned land that can be develop by Mark Twain JHS (pumping station/handball courts/park circle, etc.) into this needed facility.</p> <p>Responsible Agency: Department for the Aging</p> <p>Location Site Name: Multi-Use Recreational Center</p>	The agency recommends funding this expense budget request in FY 2024, but at this time the availability of funds is uncertain.
16	213202216C	<p>Request: Improve accessibility of transit infrastructure, by providing elevators, escalators, etc.</p> <p>Explanation: Our district has the highest proportion of senior at 24% than any other neighborhood in New York City. As a naturally-occurring retirement community (NORC) our community is extremely dependent on the public transit. The Brighton Beach, Ocean Parkway and Neptune Avenue subway stations are also gateways to regional attractions such as the beach and our commercial corridors, and they provide essential intermodal connections for transit riders. These stations must be retrofit to build an elevator and make it ADA compliant to enhance access and mobility regionally and locally, and permit our seniors to continue to age-in-place.</p> <p>Responsible Agency: Transit Authority</p> <p>Location Site Name: Brighton Beach, Ocean Parkway and Neptune Avenue stations made to ADA compliant</p>	Please contact the Agency directly and promptly for more information.

18	213202218C	<p>Request: Invest in infrastructure that will support growth in commercial business districts</p> <p>Explanation: With the rise of smartphones and other portable electronic devices, we need to improve the availability speed and cost of broadcast access to local businesses and residents.</p> <p>Responsible Agency: Economic Development Corporation</p>	Inquiry needs to be directed elsewhere
19	213202219C	<p>Request: Other NYPD facilities and equipment requests</p> <p>Explanation: Sufficient funds are requested to immediately allocate additional bicycles, Segways and Gators to the 60th Precinct to reduce reliance on heavy motorized vehicles, to enhance mobility and to increase public safety. Our goal is to reduce the volume of heavy motorized vehicles driven on the boardwalk which creates preventable vehicular-pedestrian conflicts, significantly adds to the wear-and-tear maintenance requirements for the boardwalk, and takes away valuable public space needed for social distancing.</p> <p>Responsible Agency: Police Department</p>	The NYPD is working with the Mayor's Office of Management and Budget in order to secure additional funds to maintain lifecycle replacement of its current fleet. Supplemental funding would be needed if there was a desire to increase this count even further.
20	213202220C	<p>Request: Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)</p> <p>Explanation: Reconstruct Luna Park playground</p> <p>Responsible Agency: Department of Parks and Recreation</p> <p>Location Site Name: Luna Park</p>	Department of Parks and Recreation funds are insufficient for this project. 21	213202221C	<p>Request: Provide a new or expanded park or amenity (i.e. playground, outdoor athletic field)</p> <p>Explanation: We would like to put some type of recreational activities in lieu of the bandshell at Asser Levy Park.</p> <p>Responsible Agency: Department of Parks and Recreation</p> <p>Location Site Name: Asser Levy Park</p>	Department of Parks and Recreation funds are insufficient for this project. We recommend this project be brought to the attention of your elected officials, i.e. Borough President and/or City Council member.
22	213202222C	<p>Request: Build or expand affordable work or research lab spaces related to key industries, such as film/tv, advanced manufacturing, life science and healthcare, renewable energy and freight maritime</p> <p>Explanation: We need to build an incubator/research lab spaces to entice small businesses to grow. With the increasing rental space and huge overhead cost to start a business, an incubator can address these issues.</p> <p>Responsible Agency: Economic Development Corporation</p>	Further study by the agency of this request is needed.
23	213202223C	<p>Request: Other transportation infrastructure requests</p> <p>Explanation: We need a study to see if an on/off ramp can be constructed at Stillwell Avenue and Shore Parkway to alleviate traffic in the area.</p> <p>Responsible Agency: Department of Transportation</p>	Further study by the agency of this request is needed.

25	213202225C	<p>Request: Other cultural facilities and resources requests</p> <p>Explanation: There is a lack of cultural facility for the area. We need to give the community choices other than sport facilities. We need a performing arts facility that will attract Southern Brooklyn people to the area.</p> <p>Responsible Agency: Department of Cultural Affairs</p>	More information is required, specifically each request must be tied to one organization, and mention a specific project.
26	213202226C	<p>Request: Repair or provide new street lights</p> <p>Explanation: Brighton Beach Avenue is exceptionally wide, and the existing street lighting does not extend to adequately bathe pedestrians in light. This is especially true on the southside of Brighton Beach Avenue adjacent to the public park at the Oceana where the lush trees obscure the sidewalk and keep it in darkness. Pedestrian-level lighting in the form of (what are called by DOT) B-pole lights would greatly enhance visibility and remove the element of vulnerability which is currently the pedestrian experience.</p> <p>Responsible Agency: Department of Transportation</p>	More information is needed from the community board before making a funding decision. The community board should contact the agency.
27	213202227C	<p>Request: Improve traffic and pedestrian safety, including traffic calming</p> <p>Explanation: Traffic safety is a very real concern. When motorists, bicyclists and pedestrians don't follow the rules of the road, public safety is endangered. Neckdowns provide safe refuges for pedestrians to wait to cross the street. They shorten the effective crossing distance for pedestrians. And they do not take away parking spaces. They should be in place at every intersection in every commercial corridor in Southern Brooklyn.</p> <p>Responsible Agency: Department of Transportation</p>	More information is needed from the community board before making a funding decision. The community board should contact the agency.

28	213202228C	<p>Request: Invest in capital projects to improve access to waterfront</p> <p>Explanation: We need a ferry at the oceanside at Steeplechase Pier.</p> <p>Responsible Agency: Economic Development Corporation</p>	Funding constraints, project capacity and citywide priorities preclude this project at this time.
29	213202229C	<p>Request: Reconstruct or upgrade a building in a park</p> <p>Explanation: Sufficient funds are requested to reconstruct the Parks building at Bay 1 in Brighton Beach to replace the existing unwanted activities (homeless encampments, etc.) resulting from the abandonment of the area with a state-of-the-art facility that could include some passive recreation and cultural uses that would be compatible with the surrounding residential uses.</p> <p>Responsible Agency: Department of Parks and Recreation</p>	Department of Parks and Recreation funds are insufficient for this project. We recommend this project be brought to the attention of your elected officials, i.e. Borough President and/or City Council member.
30	213202230C	<p>Request: Other NYPD facilities and equipment requests</p> <p>Explanation: With the new technology using drones, we feel that this can help in public safety with crowd management and traffic problems in the area.</p> <p>Responsible Agency: Police Department</p>	The agency will try to accommodate this issue within existing resources.
31	213202231C	<p>Request: Provide a new NYPD facility, such as a new precinct house or sub-precinct</p> <p>Explanation: The 60th Precinct building was built in 1971. It is in desperate need of a new building. Since Superstorm Sandy, the building has been rebuilt but is not protected from the next storm. It needs to be flood proof and parking space built into the new design. It also lacks ADA compliance for disable and elderly who need to get to the station. It also needs to be upgraded for electric stations for their fleet and light weight vehicles for emergency use on the boardwalk.</p> <p>Responsible Agency: Police Department</p>	This request includes more than one proposal. Funding for part is recommended.

32	213202232C	<p>Request: Inspect water main on specific street segment and repair or replace as needed</p> <p>Explanation: West 33rd Street to West 36th Street on Neptune Avenue continues to flood during a heavy rainstorm. We would like it to be repaired or replaced. There is a school (P.S. 188) adjacent which is affected every time it rains. We would like to suggest in putting porous pavement streets to alleviate part of the problem.</p> <p>Responsible Agency: Department of Environmental Protection</p> <p>Location Address: Neptune Avenue Site Street: Neptune Avenue Cross Street 1: West 33rd Street Cross Street 2: West 36th Street</p>	Please contact the Agency directly and promptly for more information.
33	213202233C	<p>Request: Other FDNY facilities and equipment requests</p> <p>Explanation: With the new technology using drones, we feel that this can help in high-rise fires where the drones can view from above to see what danger are in the buildings.</p> <p>Responsible Agency: Fire Department</p>	In the Preliminary Budget, Citywide personnel/program/ equipment funds are maintained in FY 2024. Allocations are scheduled by the agency only after budget adoption.
34	213202234C	<p>Request: Provide new type and/or specific type of program</p> <p>Explanation: With the new technology using drones, we feel that this can help the lifeguards in spotting drowning victims and provide help by transporting life preservers to victims too far to reach by lifeguards (also, attach speakers to warn beachgoers of rough tides and riptides when there are no lifeguards present)</p> <p>Responsible Agency: Department of Parks and Recreation</p>	Further study by the agency of this request is needed.

35	213202235C	<p>Request: Provide new type and/or specific type of program</p> <p>Explanation: With the new technology using drones, we feel that this can hinder illegal vendors on the boardwalk and beach. The drones can warn the illegal vendors by announcing they are breaking the law and they will be ticketed and merchandise confiscated if caught. This can monitor where hot spots need to be addressed and survey the crowded areas when enforcement is not available.</p> <p>Responsible Agency: Department of Parks and Recreation</p>	Further study by the agency of this request is needed.
CS	213202236C	<p>Request: Evaluate a public location or property for green infrastructure, e.g. rain gardens, stormwater greenstreets, green playgrounds</p> <p>Explanation: We need green infrastructure projects throughout the community. Since Superstorm Sandy, we realized that our infrastructure could not handle the overflow of water on the sewer lines and we need to fix it. One project is to have porous street pavements to handle the excess rain water. Strategically placed porous street pavements will be able to assist and handle the onslaught of water.</p> <p>Responsible Agency: Department of Environmental Protection</p>	Please contact the Agency directly and promptly for more information.
CS	213202237C	<p>Request: Renovate, upgrade or provide new community board facilities and equipment</p> <p>Explanation: We need to move the Community Board office to the ground level. We need to move.</p> <p>Responsible Agency: Department of Citywide Administrative Services</p>	DCAS Real Estate Services has received a space request from the Community Board. 01	213202201E	<p>Request: Other park maintenance and safety requests</p> <p>Explanation: We need to hire more lifeguards for the beaches. We do not need to lose another life due to the lack of lifeguards.</p> <p>Responsible Agency: Department of Parks and Recreation</p>	The Parks Department would support this request for personnel.

03	213202203E	<p>Request: Address traffic congestion</p> <p>Explanation: Coney Island and Brighton Beach needs a comprehensive traffic study to identify effective strategies to improve mobility and access while reducing congestion and improving traffic safety. The area is experiencing development pressures and continues to experience a significant seasonal surge in traffic volume demand which our local street network cannot adequately process.</p> <p>Responsible Agency: Department of Transportation</p>	Further study by the agency of this request is needed.
04	213202204E	<p>Request: Improve parking operations</p> <p>Explanation: We need to improve parking operations by leasing City owned properties for off-site parking. 05	213202205E	<p>Request: Animal and pest control requests including reducing rat and mosquito populations</p> <p>Explanation: Increase personnel for Rat Abatement. There has been a large increase of rats being displaced by the new construction, they are running into existing buildings and causing problems to the neighborhood. We need to do a district wide abatement to tackle the rodent problem. In addition, we need to hire more exterminators to handle the increase of rodents issues.</p> <p>Responsible Agency: Department of Health and Mental Hygiene</p>	DOHMH continues to respond to 311 complaints. Additional services will be contingent upon available resources
06	213202206E	<p>Request: Provide, expand, or enhance community outreach on HPD programs and services</p> <p>Explanation: We need to continue support to provide community outreach on HPD programs and services i.e. CCC program. Our housing groups are in need of funding for the area to help the tenants, homeowners and landlords. With tenants/landlords on the verge of losing their apartments due to the pandemic, more grants and programs need to help both deal with the problems. We need to expand the funding to anticipate the future emergencies, i.e. pandemic</p> <p>Responsible Agency: Department of Housing Preservation & Development</p>	This is not a budget request.
07	213202207E	<p>Request: Other park maintenance and safety requests</p> <p>Explanation: Additional operational resources are needed to meet the increasing demands for maintaining the Riegelmann Boardwalk in Coney Island and Brighton Beach in good condition. The safety and cleanliness of the boardwalk must be prioritized to protect our residents and the millions of tourists who visit each year. Sufficient resources are necessary for the regular repair of benches, drinking fountains, railings, signage, boardwalk surface treatments, access ramps and removal of excessive weed growth causing serious trip hazards.</p> <p>Responsible Agency: Department of Parks and Recreation</p>	The Parks Department would support this request for personnel.

08	213202208E	<p>Request: Hire additional school safety agents</p> <p>Explanation: There is a need to improve school safety with security guards and crossing guards around the schools. With the increase violence in the neighborhood and children bring in weapons, there has to be better school safety for the schools. We have to educate the youth to respect each other and not resort to violence. There should be a program dealing with anti-violence, anti-bullying and cyber-bullying for the children.
