PUBLIC SPEAKING:

Alex Movshovich: Explained why they need another letter of support for CHI Health Center. The C.B. gave them the initial letter of support in 2016 when they were designated as FQHC. They are a non-for-profit and turn no one away regardless of their ability/inability to pay. They have treated 4000 patients in 2021, 70% of the patients are residents of 11224. They have Primary Care, Pediatrics, Gynecology. There are multiple physicians with specialties including rheumatology, podiatry, physical therapy and pain management. They need this letter for continued funding through HERSA (www.CHIhealthcenter.com). He stated that they currently have the Pfizer vaccine for children.

CORRESPONDENCE: Shimon Rinkovsky

Coney Island Gospel Assembly/Alliance for Coney Island and several other CBO are sponsoring a Free Community Thanksgiving Dinner- To Go on Wednesday, Nov. 18 from 12-3 p.m. at La Tombola on the Boardwalk and W. 21st Street.

Zunera asked for an update on when the Community Advisory Board for the WINN Shelter will meet. Eddie said it will hold a meeting within a month.

Lucy stated that she feels our meetings may have to be hybrid. Half the Board will have to meet in person and the other half will watch on Zoom. This remains to be seen. Next month she is planning to write a letter to the Governor about how we feel about returning to in person meetings. Lucy asked Eddie to bring this situation up at the Borough Board meeting next months.
