

Mike Flynn, Commissioner

Protective Coating of Coney Island Ave Bridge over Belt Parkway System HB1070BR

Community Board No. 13

Brooklyn, New York

September 2026

Important Notice

On or about Tuesday, September 1st, 2026, the NYCDOT Division of Bridges will continue work on the contract for the protective coating of the Coney Island Ave. Bridge. Work will commence over the Belt Parkway with alternating day and night lane closures in both directions. Eastbound lane closures will start after Exit 6 (Cropsey Ave/Coney Island and end between Exit 8 (Coney Island) and Exit 9 (Knapp St.). Westbound lane closures will start after Exit 9 (Knapp St) and end at Exit 7B (Ocean Parkway). Closures will begin with the Eastbound lanes and last **for approximately 4 weeks**. Lane closures will take place **7 days a week, between 10:00 a.m. and 2:00 p.m. on weekdays and during overnight hours**.
