July Programs for Teens at Jamaica Bay Library

Teen Tech Time

Wednesday, July 5, 12 2023 3:30-5pm

It's on like Donkey Kong!

Teens, stop by and enjoy an hour and half of tech game time with your peers. We have a Nintendo Switch, PS4, and Xbox One as well as your favorite games!

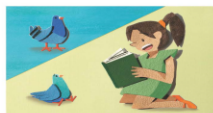

Room capacity may be limited. For teens or tweens only.

DIY: Write Your Congressperson

Monday, July 17 2023 4-5pm

One of the most important skills anyone can learn is how to advocate for themselves and their communities in government. In this DIY we'll teach you how to write to your congresspeople and decorate your letters - because why not?! This program fits into the Summer @ BPL theme Find Your Voice.

DIY: Kindness Rocks

Tuesday, July 18 2023 4-5:30pm

Join us on Tuesday afternoon as we give you supplies to make Kindness Rocks. After we paint our rocks with messages of hope and kindness, we'll hide them around the Library. This program fits into the Summer @ BPL theme Be Creative.

Movies @ the Library

Friday, July 7 2023 3:30-5pm

July 7: [Street Fighter II: The Animated Movie](#)

Jamaica Bay Library Children's Programs Ages 5 -12 Years

Kids STEM: Let's Make Volcanos!

Monday, 7/3—3-4:00pm

Join us as we build volcanoes and make volcanic eruptions out of household ingredients.

Kids STEM: Let's Make Elephant Toothpaste!

Monday, 7/24—3-4:00pm

We're going to make giant foamy "elephant toothpaste" out of common household ingredients.

Build with LEGO

Tuesday, 7/11—3-4:00pm

Let's build amazing creations and compete in LEGO challenges!

Game on: Board Games

Tuesday, 7/18—3-4:00pm

Come play board games with your friends—Jenga, Candyland, Uno, Sorry and more.

Kids Create

Thursday, 7/6 & 7/20—3-4:00pm

A new arts and craft project every week. Let's create, experiment, and have fun!

***Special Kids Create: GRAFFITI!*

Thursday, 7/13—3-4:00pm

Supplies are limited, first come first served.

Our partners and volunteers want to help you, your family and our community stay safe.

Con Edison Updates

Prepare Now for Higher Summer Bills

We understand higher bills are never welcome. That's why **we want to help you get ready and manage your energy costs** as much as possible.

Please do what you can to prepare now for higher electric bills this summer. While increased supply costs continue to impact your bill, you may see an increased delivery cost by summer's end as well. Delivery increases reflect investments we're making in crucial infrastructure for our clean energy future. At the same time, we're upholding our commitment to keep our system resilient and reliable no matter what type of weather this summer brings.

Here's **3 Ways to Ease the Burden of High Bills**:

1. Spread payments out evenly across the year. A **Level Payment Plan** allows you to avoid large month-to-month changes in energy costs.
2. Manage your use. Register for **My Account** and log in via **conEd.com** or our **mobile app** for an in-depth look at your hourly energy use.
3. Get customized tips. Our **Home Energy Analysis tool** can give you personalized tips and suggestions to help you improve efficiency and control costs all year long.

If you're having trouble managing costs, we're here to help.

www.coned.com

Con Edison Updates

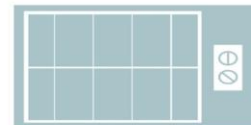

The warmer weather is finally here! Here are **some helpful tips for managing your energy costs** from Con Edison:

KEEP YOUR COOL AND BREATHE EASIER

Old or insufficient insulation lets air-conditioned air escape—and allows allergens in. Proper insulation and air sealing can improve efficiency while keeping your home more comfortable year-round. Learn more and find out how to save \$1,000 at conEd.com/weatherization.

EFFICIENCY TOOLS

Log in to My Account, click on the Home Energy Analysis and answer a few easy questions about your home and appliances. You'll learn what uses the most energy, and receive customized tips to help you improve efficiency and save money. Use your smart meter dashboard to see your energy use throughout the day and sign up for weekly reports. Try it: conEd.com/MyAccount.

KEEP COMFORTABLE YEAR ROUND

Con Edison's Smart AC program allows you to adjust your window unit on the go. For more information, go to conEd.com/SmartAC.

REIGN IN POWER HUNGRY APPLIANCES

Wash clothes in cold water. About 90% of the energy required to run the washer is used to heat water. Cold water will get clothes just as clean, and will prevent shrinkage and fading.

If you're having trouble managing costs, we're here to help.

As part of our commitment to keeping our streets clean, the NYC Department of Sanitation (DSNY) is implementing a new rule to send rats packing. **Starting August 1, all food-related businesses in NYC must use rigid containers with secure lids when setting out trash and compost for collection.**

Join an info session!

Help businesses in your district get more information! Recommend they join one of our weekly trainings starting next week through the end of August.
