DESTINATION CANARSIE: CULTURE AT EVERY CORNER

We invite people to join us for a walk through Canarsie, where you can immerse yourself in the neighborhood's rich history and culture. This is our first time participating, and we want to give people a glimpse into Canarsie

Jane's Walk is a global festival of free, community-led walking tours and conversations, inspired by urbanist and activist Jane Jacobs, held annually during the first weekend in May

As we stroll together, you will have the opportunity to discover local landmarks, shops, and eateries that reflect the area's culture

Engage with the community and listen to stories about Canarsie's heritage, all while enjoying the scenic beauty that surrounds us
