Presents:

EDUCATING NEIGHBORHOODS AND ORGANIZING
ENOUGH!
UNDER-SERVED WITH GRASSROOTS HEALTH-ENRICHMENT

Bi-Weekly

Food Pantry

Every 1st and 3rd Thursday

770 East 80th Street

3-5pm

Food is a basic human right & is an immediate & tangible way to help someone. It's our privilege to be able to be able to connect our community with essential resources.

We are a community based violence prevention office dedicated to proactive violence prevention through direct engagement, resource coordination and youth centered programming. We work hand in hand with residents, grassroots organizations and local leaders to build safer neighborhoods from the ground up.
