

DISTRICT 22 PARENT WORKSHOP

Imagine Learning's Illustrative Math Overview

- Explore our engaging, NYC standards-aligned curriculum designed to build deep mathematical thinking
- Support learning at home with Imagine Learning's interactive Family Support Hub for resources to help your child thrive in mathematics
- Ask questions and learn more about how we can work together to support your child's success

Wednesday, February 4, 2026

6:30 PM - 8:00 PM
