UNITED STATES POSTAL SERVICE

Postal Customer: Employees of the United States Postal Service are committed to providing you with quality service. Snow and ice storms in Brooklyn add to your carrier's safety challenge. Therefore, in the interest of your carrier's safety, please be advised that delivery may be delayed or curtailed whenever streets or walkways present hazardous conditions. Your mailbox must be accessible to your carrier. For curbside, or cluster boxes, snow must be cleared around the mailboxes, in order that your carrier may approach and make deliveries without any problem. Your carrier is instructed not to attempt delivery where there is a hazard preventing access to your mail receptacle. If conditions prevent your carrier from reaching your mailbox, you may consider meeting the carrier upon delivery in front of your house entrance. In past winters, carriers sustained injuries that may have been prevented. Your consideration for the safety of our valued employees is greatly appreciated.

Sincerely, Brooklyn Postmaster

Never Get a REAL Job: (How to Dump Your Boss, Build a Business and Not Go Broke), a tell all book by Scott Gerber. It is for anyone who wants to be or is, his/her own boss. "Entrepreneurship is a beginner's sport, not a banker's sport. Building a business is more about ingenuity and hustle than obtaining a wad of cash—which is why young people are the ideal candidates to build businesses." "Motivation 101, the realization that building something great isn't overwhelming once it is broken down into parts with a little planning added." "Building a business is like constructing a house. If you don't take time to lay a solid, sturdy foundation, the whole structure is doomed to come crashing down around you."

Prepaid registration of \$30 is required for this event. The fee includes a complimentary copy of the book, "Never Get a Real Job", admission, the author's autograph, refreshments and the panel discussion. Your book will be waiting for you at the event. Scott will be available to sign copies of his book before and after the panel discuss, 6:00-6:30 PM and 8:00 - 8:30 PM.
