HELP MAKE A POSITIVE IMPACT IN BUSHWICK!
NEW COMMUNITY ADVISORY BOARD FORMING
 FOR LOCAL FOOD & ECOLOGY NONPROFIT

EcoStation:NY, the local nonprofit organization behind **BUSHWICK FARMERS' MARKET** and **BUSHWICK CAMPUS FARM**, is seeking community-minded individuals interested in taking an active role in shaping our policies and guiding our activities. The Board will also be a resource for EcoStation, contributing their opinions, skills, and expertise; members serve as our eyes and ears in the community.

What We Do: EcoStation:NY is a Bushwick-based nonprofit organization devoted to building a healthier community by encouraging healthy eating and active lifestyles, and through our environmental awareness projects.

2012 will be EcoStation's fourth year operating Bushwick Farmers' Market, where we bring fresh, healthy produce grown by local family-owned farms to the people of Bushwick. (Locally-grown food is better for you, the local economy, and the planet!) We are looking forward to the launch of Bushwick Farmers' Market Green Machine this Spring. In 2011, we co-founded Bushwick Campus Farm, where we are now growing food and teaching about "sustainable agriculture" (free of chemical fertilizers and pesticides). We are also developing a rooftop farm ("Farm-in-the-Sky").

Who Can Be a Board Member? No prior Board experience is required! Just a little time, and a dedication to our community's health. Local CBOs dealing with youth, seniors, and/or health issues, are encouraged to nominate a representative. Applicants will fill out a brief questionnaire to determine eligibility. We are striving to build a diverse board with representation from all corners of the community.

Your Commitment: There will be quarterly meetings, and monthly check-ins via email. Advisory Board members will be asked to counsel EcoStation on various matters, assist (as able) in planning large-scale events and fundraisers, as well as generally help promote our mission of building a stronger community through healthier eating habits and environmental awareness.

PLEASE RESPOND BY APRIL 1st!

For More Information about EcoStation, see our website: www.EcoStationNY.org.

Email Sean@EcoStationNY.org for an application or more information, or call us at 646-393-9305.

Please feel free to forward this to anyone you feel may be qualified & interested!
