THE NORTH BROOKLYN HOUSING TASK FORCE

The North Brooklyn Housing Task Force is a coalition of Tenant-advocacy organizations, elected official offices, and city agencies

The Task Force was created in order to have these entities give special attention to buildings where landlords are depriving tenants of basic services (such as heat and hot water) and repairs. Tenants in these buildings also often find themselves facing harassment by their landlord. The coalition works together in order to resolve the issues that tenants face in these high-priority buildings. Buildings could be referred to the coalition through the following coalition members:
