

PROSPECT PARK LOCATIONS

Automatic Public Toilet (APT)

JCDecaux / DOT Coordinated Street Furniture Franchise

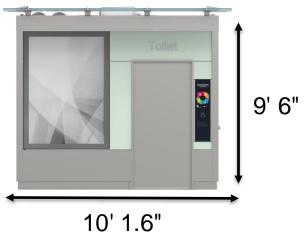

Automatic Public Toilets (APTs)

- Franchisee installs and maintains units; capital and expense funds are <u>not</u> used here
- Open 8am-8pm daily
- Self-cleaning
- 15 minutes per use
- Fully accessible
- Maintained twice daily
- New APT will be free of charge and have a bottle filler on the side of the unit
- New APT has smaller footprint with revised clearance requirements

APT Amended Design

Unit Exterior and Specs

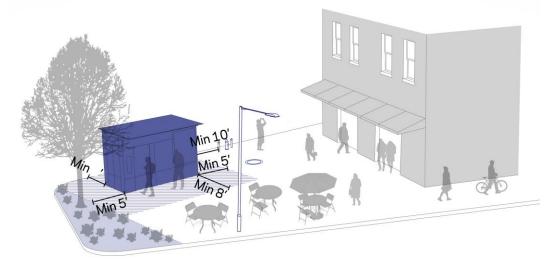

APT Site Specifications

- Street level clearances
 - 8' in the front
 - 5' on the sides
 - 3' in the back

- Underground clearance
 - 5-6' for utility and water connections.
- New pump system will allow placement in or near flood zones
- Footprint is smaller than a sedan size car

APT Approval Process

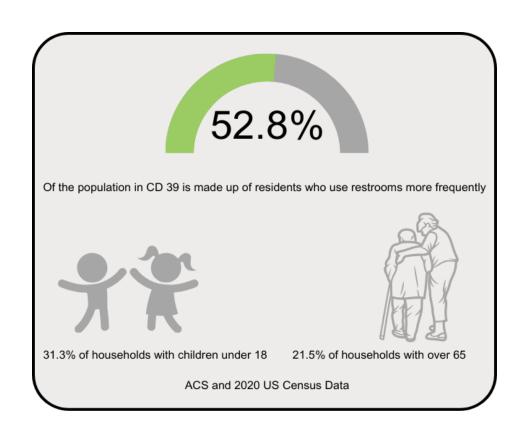

- Approvals Needed
 - Community Board
 - Council Member
 - Speaker of the Council
 - Mayor
 - PDC
- Sites require engineering review

Location Benefits

Potential Users

- Park Goers
- Little Leaguers
- Joggers
- Cyclists
- Local Residents
- Pedestrians
- Tourists

Proposed Location: 16th St and Prospect Park SW

Aerial View

Proposed Location – Park Circle

- On Park Circle sidewalk, near Coney Island Ave
- Meets initial site criteria
- Needs engineering review
- In CD 39, bordering with CD 40

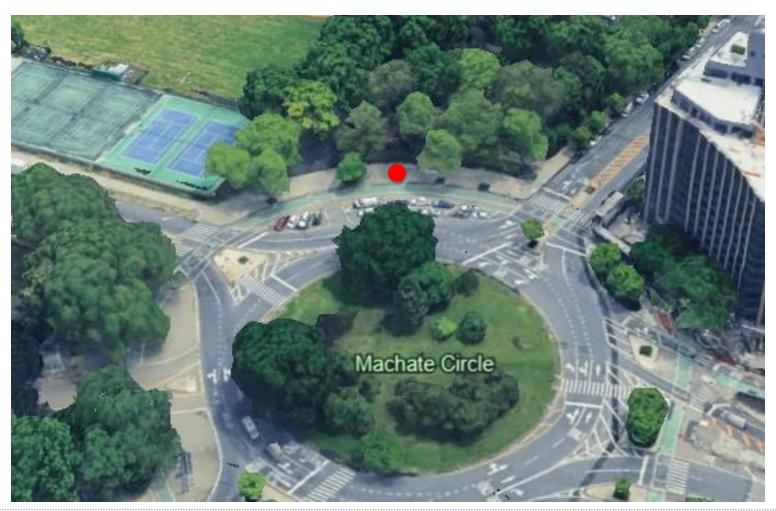

Near NYPD station, but not in way of driveways
