

2014 CONSTRUCTION CODES UPDATE PAGES

Attached are 2014 Construction Codes Update Pages. These pages reflect local laws enacted and ministerial administrative corrections made after December 31, 2014. Please note that the source of a particular update, the local law number, and year is indicated on each page. Please visit our [webpage](#) to ensure that your codes are complete and up to date as the City Council may periodically pass Local Laws that affect the Construction Codes.

Instructions:

Please place each page, according to its page number found on the bottom right hand corner, into your Construction Codes books.

The pages contain letters after the page number and should be placed in alphabetical order following the number, i.e. 5, 6, 6a, 6b, etc.

Place Title Pages in the front of your Code books for easy reference.

BUILDING CODE

Insert between pages 680a and 681 of your bound volume of the NYC Building Code.

Repeal section 3310.10.2 to read as follows:

~~**3310.10.2 Training.** All workers employed at a major building site shall have successfully completed, within the previous five calendar years, a course that is at least ten hours in length and approved by the United States Department of Labor Occupational Safety and Health Administration (OSHA) in construction industry safety and health, or by the commissioner covering substantially the same material.~~

~~**Exception:** A worker need not take a subsequent course that is at least ten hours in length and approved by OSHA in construction industry safety and health, or a subsequent course approved by the commissioner covering substantially the same material, provided the worker has, within the previous five calendar years, accumulated at least five safety education units (SEU) for construction safety and health through training courses offered by a safety training program conducted by a New York State Department of Labor approved training provider registered apprenticeship program. A worker shall be credited one SEU for every four hours of construction safety and health related training completed, with a maximum of two SEUs assigned for any single course. Such SEU courses shall be conducted by, or under the supervision of, OSHA authorized construction safety trainers. Instructors who are not OSHA authorized construction trainers must be experienced in presenting the related course subject matter, and use a curriculum approved by their supervising OSHA authorized construction safety trainer.~~

~~**3310.10.2.1 Acceptable record of OSHA training.** The following shall be an acceptable record of completion of a course approved by the United States Department of Labor Occupational Safety and Health Administration (OSHA) in construction industry safety and health:~~

- ~~1. A bona fide course completion card;~~
- ~~2. A copy of such card with additional documentation outlined in Item 3 or 4 below;~~
- ~~3. A training roster, attendance record or other documentation from the certified trainer pending the issuance of such card; or~~
- ~~4. Other valid proof which may be approved by the commissioner.~~

~~**3310.10.2.2 Acceptable record of alternative training.** Successful completion of safety training alternative to the OSHA course pursuant to Section 3310.10.2 shall be evidenced by a wallet size certificate card issued by the training provider and acceptable to the commissioner. Such certificate card shall be readily available to the commissioner upon request, and shall, at a minimum:~~

- ~~1. Be consistent in color with the completion card issued by the Occupational Health and Safety Administration Training Institutes for the aforementioned~~
