

2014 CONSTRUCTION CODES UPDATE PAGES

Attached are 2014 Construction Codes Update Pages. These pages reflect local laws enacted and ministerial administrative corrections made after December 31, 2014. Please note that the source of a particular update, the local law number, and year is indicated on each page. Please visit our [webpage](#) to ensure that your codes are complete and up to date as the City Council may periodically pass Local Laws that affect the Construction Codes.

Instructions:

Please place each page, according to its page number found on the bottom right hand corner, into your Construction Codes books.

The pages contain letters after the page number and should be placed in alphabetical order following the number, i.e. 5, 6, 6a, 6b, etc.

Place Title Pages in the front of your Code books for easy reference.

Add a new section 3301.11 and subsections to read as follows:

3301.11 Site safety orientation and refresher. Each permit holder at a site that requires a site safety manager, site safety coordinator, or construction superintendent shall ensure that each construction or demolition worker employed or otherwise engaged at such site by the permit holder or performing subcontracted work for or on behalf of such permit holder receives a site safety orientation and refresher in accordance with the requirements of Sections 3301.11.1 through 3301.11.5.

3301.11.1 Site safety orientation. Each worker employed or otherwise engaged at such site by the permit holder or performing subcontracted work for or on behalf of such permit holder shall receive a site safety orientation before such worker commences any construction or demolition work at such site.

3301.11.2 Site safety refresher. Each worker employed or otherwise engaged at such site by the permit holder or performing subcontracted work for or on behalf of such permit holder shall receive a site safety refresher if such worker (i) has performed construction or demolition work at such site for one year or more and (ii) one year or more has elapsed since such worker received a site safety orientation or refresher with respect to such site.

3301.11.3 Site safety orientation and refresher to be conducted by qualified person. Site safety orientations and refreshers required by this section shall be conducted by a qualified person designated by the permit holder. Such qualified person shall have the ability to communicate with each worker who takes part in such orientation or refresher.

3301.11.4 Site safety orientation and refresher content. Site safety orientations and refreshers required by this section shall include a review of safety procedures at such site and any hazardous activities to be performed at such site.

3301.11.5 Records. A record of all orientations conducted for the site shall be maintained by the permit holder and kept at the site. Such record shall include for each such orientation or refresher:

1. The date and time of such orientation or refresher;
2. The name, title and company affiliations of each worker who participated;
and
3. The name, title and company affiliation of the qualified person who conducted such orientation or refresher, along with such person's signature.
