PART R

§ 2. The opening paragraph of section 485.00 of the penal law, as
amended by chapter 8 of the laws of 2019, is amended to read as follows:
The legislature finds and determines as follows: criminal acts involving
violence, intimidation and destruction of property based upon bias
and prejudice have become more prevalent in New York state in recent
years. The intolerable truth is that in these crimes, commonly and
justly referred to as "hate crimes", victims are intentionally selected,
in whole or in part, because of their race, color, national origin,
ancestry, gender, gender identity or expression, religion, religious
practice, age, disability or sexual orientation. Hate crimes do more
than threaten the safety and welfare of all citizens. They inflict on
victims incalculable physical and emotional damage and tear at the very
fabric of free society. Crimes motivated by invidious hatred toward
particular groups not only harm individual victims but send a powerful
message of intolerance and discrimination to all members of the group to
which the victim belongs. Hate crimes can and do intimidate and disrupt
entire communities and vitiate the civility that is essential to healthy
democratic processes. In a democratic society, citizens cannot be
required to approve of the beliefs and practices of others, but must
never commit criminal acts on account of them. However, these criminal acts do occur and are occurring more and more frequently.
Quite often, these crimes of hate are also acts of terror. The recent
attacks in Monsey, New York as well as the shootings in El Paso, Texas;
Pittsburgh, Pennsylvania; Sutherland Springs, Texas; Orlando, Florida;
and Charleston, South Carolina illustrate that mass killings are often
apolitical, motivated by the hatred of a specific group coupled with a
desire to inflict mass casualties. The current law emphasizes the political motivation of an act over its catastrophic effect and does not
adequately recognize the harm to public order and individual safety that
hate crimes cause. Therefore, our laws must be strengthened to provide
clear recognition of the gravity of hate crimes and the compelling
importance of preventing their recurrence.

§ 3. Subdivision 3 of section 485.05 of the penal law, as amended by
section 9 of part NN of chapter 55 of the laws of 2018, is amended to

agency, as the case may be, excluding therefrom a deduction of fifteen
thousand dollars from the income of secondary wage earners of the family
or a larger deduction if approved by the commissioner or the supervising
agency, as the case may be, except that the company, as approved by the
commissioner or the supervising agency, as the case may be, may exclude
a proportion of the income of other members of the family over the age
of twenty-one years for the purpose of determining eligibility for
admission or continued occupancy, or for establishing the rental of such

13. (a) Notwithstanding any other provision of law, rule, or regulation to the contrary, when any New York state accredited hospital, accredited sexual assault examiner program, or licensed health care provider furnishes services to any sexual assault survivor, including but not limited to a health care forensic examination in accordance with the sex offense evidence collection protocol and standards established by the department of health, such hospital, sexual assault examiner program, or licensed healthcare provider shall provide such services to the person without charge and shall bill the office directly. The office, in consultation with the department of health, shall define the specific services to be covered by the sexual assault forensic exam reimbursement fee, which must include at a minimum forensic examiner services, hospital or healthcare facility services related to the exam, and any necessary related laboratory tests or pharmaceuticals; including but not limited to HIV post-exposure prophylaxis provided by a hospital emergency room at the time of the forensic rape examination pursuant to paragraph (c) of subdivision one of section twenty-eight hundred five-i of the public health law. [Follow-up] For a person eighteen years of age or older, follow-up HIV post-exposure prophylaxis costs shall continue to be billed by the health care provider to the office directly and reimbursed according to established office [directly] procedure. The office, in consultation with the department of health, shall also generate the necessary regulations and forms for the direct reimbursement procedure.

(b) The rate for reimbursement shall be the amount of itemized charges, to be reimbursed at the Medicaid rate and which shall cumulatively not exceed (1) eight hundred dollars, (2) one thousand two hundred dollars for an exam of a sexual assault survivor where no sexual offense evidence collection kit is used; (3) one thousand five hundred dollars for an exam of a sexual assault survivor who is eighteen years of age or older, with or without the use of a sexual offense evidence collection kit, and with the provision of a necessary HIV post-exposure prophylaxis seven day starter pack; and (4) two thousand five hundred dollars for an exam of a sexual assault survivor who is less than eighteen years of age, with or without the use of a sexual offense evidence collection kit, and with the provision of the full regimen of necessary HIV post-exposure prophylaxis with the department of health, annually review and determine if a higher rate for reimbursement for itemized charges exceeding eight hundred dollars is feasible and appropriate based on the actual cost of reimbursable expenses, and adjust such rate for reimbursement accordingly. The hospital, sexual assault examiner program, or licensed health care provider must accept this fee as payment in full for these specified services. No additional billing of the survivor for said services is permissible. A sexual assault survivor may voluntarily assign any private insurance benefits to which she or he is entitled for the healthcare forensic examination, in which case the hospital or healthcare provider may not charge the office; provided, however, in the event the sexual assault survivor assigns any private health insurance benefit, such coverage shall not be subject to annual deductibles or coinsurance or balance billing by the hospital, sexual assault examiner
program or licensed health care provider. A hospital, sexual assault
examiner program or licensed health care provider shall, at the time of
the initial visit, request assignment of any private health insurance
benefits to which the sexual assault survivor is entitled on a form
prescribed by the office; provided, however, such sexual assault survi-
vor shall be advised orally and in writing that he or she may decline to
provide such information regarding private health insurance benefits if
he or she believes that the provision of such information would substan-
tially interfere with his or her personal privacy or safety and in such
event, the sexual assault forensic exam fee shall be paid by the office.
Such sexual assault survivor shall also be advised that providing such
information may provide additional resources to pay for services to
other sexual assault victims. Such sexual assault survivor shall also
be advised that the direct reimbursement program established by this
subdivision does not automatically make them eligible for any other
compensation benefits available from the office including, but not
limited to, reimbursement for mental health counseling expenses, relo-
cation expenses, and loss of earnings, and that such compensation bene-
fits may only be made available to them should the sexual assault survi-
vor or other person eligible to file pursuant to section six hundred
twenty-four of this article, file a compensation application with the
office. If he or she declines to provide such health insurance informa-
tion, he or she shall indicate such decision on the form provided by the
hospital, sexual assault examiner program or licensed health care
provider, which form shall be prescribed by the office.
§ 4. Section 3 of a chapter of the laws of 2019, amending the public
health law and the executive law relating to HIV post-exposure prophy-
laxis and other health care services for sexual assault victims, as
proposed in legislative bills numbers S. 2279-A and A. 1204-A, is

regulations and take other action necessary to implement this act on
such date.

New York state council on the arts, as proposed in legislative bills
numbers S. 3570 and A. 7994, is amended to read as follows:

It is the intent of the legislature that any funds so contributed shall supplement and not offset or diminish in any way the amount of funds made available to the New York state council on the arts pursuant to annual budget appropriations.

§ 7. This act shall take effect immediately, [and shall apply to taxable years beginning on or after January 1, 2020] provided, however, that the provisions of sections one, two, three, four, and five of this act shall take effect on the first of January next succeeding the date the department of economic development provides notice to the legislative bill drafting commission of a determination pursuant to paragraph (b) of subdivision two of section six of this act and shall apply to taxable years on and after such date; provided that the department of economic development shall notify the legislative bill drafting commission upon the occurrence of the submission of the report provided for in paragraph (b) of subdivision two of section six of this act in order that the commission may maintain an accurate and timely effective data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

1 ing facilities in the state, when active, provide a target that requires
2 the hardening not only of the physical infrastructure but the human
3 infrastructure as well. Turnover in such positions, for the service
4 workers who provide cleaning, security and maintenance services at such
5 active generating facilities will decrease if the workers are paid
6 increased wages. The reduction of turnover will allow for the more
7 developed and trained workforce to continue to provide the measure of
8 safety and security the state requires. Given that important state
9 interest, it is therefore found and declared that the workers at such
10 facilities shall be trained to ensure their ability to meet the security
11 needs of the facilities that they work upon. It is further found and
12 declared that the reduction of turnover may be accomplished by the
13 payment of rates of pay in line with those prevailing in such trade or
14 occupation, as otherwise defined.

2. The wages paid, and benefits provided, to building service employ-
3 ees who are employed at a work location that is an active major electric
4 or steam generating facility, or at a transmission or distribution
5 facility considered critical infrastructure as determined by the divi-
6 sion of homeland security and emergency services in consultation with
7 the department, shall be subject to article nine of the labor law. For
8 purposes of this section "major electric generating facility" means an
9 electric generating facility with a nameplate generating capacity of
10 twenty-five thousand kilowatts or more, including interconnection elec-
11 tric transmission lines and fuel gas transmission lines, and "major
12 steam generating facility" means a steam generating facility with a
13 generating capacity to be determined by the department.

§ 3. This act shall take effect on the same date and in the same
28 manner as a chapter of the laws of 2019, amending the labor law relating
29 to ensuring that utility employees receive the prevailing wage, as
30 proposed in legislative bills numbers S. 6265-A and A. 8083-A, takes
31 effect, provided, however, that section two of this act shall take
32 effect on the one hundred eightieth day after it shall have become a
33 law.

§ 37-0903. [Consumer notice]

1. Publishing of lists. Within one hundred eighty days of the effec-
tive date of this title, the department shall post lists of dangerous
chemicals and chemicals of concern on the department's website.

2. Periodic review. (a) The department, in consultation with the
department of health, shall periodically review the list of dangerous
chemicals and, may through regulation, add or remove dangerous chemicals
or chemicals of concern from such lists.

(b) The department, in consultation with the department of health, may
identify a chemical as a dangerous chemical if, upon such review, it is
present in a children's product and meets any of the following criteria:
(i) The chemical or its metabolites have been found through biomoni-
toring to be present in humans;
(ii) The chemical has been found through sampling and analysis to be
present in household dust, indoor air, drinking water or elsewhere in
the home environment;
(iii) The chemical has been found through monitoring to be present in
fish, wildlife or the natural environment; or
(iv) The sale or use of the chemical or a children's product contain-
ing the chemical has been banned in another state or states within the
United States because of the health effects of such chemical.

(c) The department, in consultation with the department of health, may
remove a chemical from the list of dangerous chemicals if, upon review,
it determines on the basis of credible scientific evidence that such
chemical no longer meets the criteria for listing under paragraph (b) of
this subdivision.

(c) The department, in consultation with the department of health, shall periodically review the list of chemicals of concern and may
through regulation add or remove a chemical from the list on the basis of credible scientific evidence. The department may remove a chemical from the list of chemicals of concern if, upon review, it determines on the basis of credible scientific evidence that such chemical no longer meets the criteria for listing under paragraph (a) of this subdivision.

2. High-priority chemicals. (a) The following chemicals are designated high priority chemicals for purposes of this title:
   (i) Tris (1, 3 dichloro-2-propyl) phosphate (CAS 13674-87-8)
   (ii) Benzene (CAS 71-43-2)
   (iii) Mercury and mercury compounds, including methyl mercury (CAS 7439-97-6)

   (vi) Cadmium (CAS 7440-43-9) (other than toy coatings)
   (vii) Organohalogen flame retardants in upholstered bedding or furniture
   (b) The department shall periodically review the list of high priority chemicals and may by rule add to the list of high-priority chemicals if the criteria of paragraph (a) of subdivision one of this section are met and the chemical is present in a children's product and meets any of the following criteria:
      (i) The chemical or its metabolites have been found through biomonitoring to be present in humans;
      (ii) The chemical has been found through sampling and analysis to be present in household dust, indoor air, drinking water or elsewhere in the home environment;
      (iii) The chemical has been found through monitoring to be present in fish, wildlife or the natural environment; or
      (iv) The sale or use of the chemical or a children's product containing the chemical has been banned in another state or states within the United States because of the health effects of such chemical or the children's product safety council established pursuant to section 37-0911 of this title has recommended the chemical be listed as a high-priority chemical. The department shall, as part of its periodic review, consider whether the sale or use of a chemical or a children's product containing the chemical has been banned in another state or within the United States because of the health effects of such chemical.
   (c) The department, in consultation with the department of health, may remove a chemical from the list of high priority chemicals if it determines on the basis of credible scientific evidence that such chemical no longer meets the criteria of paragraph (b) of this subdivision.

1. Reporting of chemical use. No later than twelve months after a dangerous chemical of concern or high-priority chemical appears on the list published lists promulgated pursuant to section [37-0903] 37-0905 of this title, every manufacturer who offers a children's product for sale or distribution in this state that contains a dangerous chemical of concern or a high-priority chemical shall report such chemical use at or above practical quantification limits to the department, provided however, that the department may, through regulation, establish an alternative threshold for the reporting of trace contaminants.
   (a) This report must at a minimum identify the children's product, the dangerous high-priority chemical or chemicals of concern contained in
the children's product and the intended purpose of such chemicals. The department may also require reporting of the following information:

(i) the amount of such chemical in the children's product; or
(ii) information on the likelihood that the chemical will be released from the children's product to the environment during the product's life cycle and the extent to which users of the product are likely to be exposed to the chemical.

(b) The department is authorized to direct submission of such report to the interstate chemicals clearinghouse and may otherwise provide for reciprocal data sharing with other states which require reporting of the same information.

2. Waiver of reporting. Upon application by a manufacturer, the commissioner may waive all or part of the reporting requirements under subdivision one of this section for one or more specified uses of a dangerous high-priority chemical. In making such determination, the commissioner may consider: (a) if substantially equivalent information is already publicly available or that the information is not needed for the purposes of this chapter, (b) similar waivers granted by other states, and (c) whether the specified use or uses are minor in volume.

3. Notice. (a) A manufacturer of a children's product containing a dangerous chemical shall notify persons that offer the children's product for sale or distribution in the state, in a form prescribed by the department, of the presence of such dangerous chemical, and provide such persons with information regarding the toxicity of such chemical.

(b) The department shall notify consumers about children's products containing chemicals of concern and dangerous chemicals. The notification shall be published on the department's website.

4. Fees. The manufacturer shall pay a fee upon submission of a report of chemical use pursuant to subdivision one of this section or a waiver request pursuant to subdivision two of this section to cover the department's reasonable costs in the administration and enforcement of this title. Exclusive of fines and penalties, the state shall only recover its actual cost of administration and enforcement.

§ 37-0907. Sales prohibition.

1. Effective January first, two thousand twenty-three, no person shall distribute, sell or offer for sale in this state a children's product containing tris (1, 3 dichloro-2-propyl) phosphate (CAS 13674-87-8), benzene (CAS 71-43-2), formaldehyde (other than in textiles), or asbestos and organohalogen flame retardents (CAS 1332-21-4) is intentionally added. This provision shall not apply: (a) to a children's product solely based on its containing an enclosed battery or enclosed electronic components; (b) where state regulation of children's products is preempted by federal law; (c) where the chemical is present as a trace contaminant; or (d) to an inaccessible component of a children's product that during reasonable, foreseeable use and abuse of the product would not come into direct contact with a child's skin or mouth, as determined by the department. The commissioner may exempt a children's product from this prohibition if, in the commissioner's judgment, the lack of availability of the children's product could pose an unreasonable risk to public health, safety or welfare.

2. Effective three years after being added to the dangerous chemicals list, no person shall distribute, sell, or offer for sale in this state a children's product that contains a chemical added to the dangerous chemicals list pursuant to section 37-0903 of this title. (a) To the extent allowed by federal law, the department may, by regulation, prohibit the distribution, sale, or offer for sale in this state of a
children's product that contains a chemical added to the high-priority chemicals list pursuant to section 37-0905 of this title, or a chemical recommended for prohibition by the children's product safety council pursuant to paragraph (b) of subdivision five of section 37-0911 of this title.

(b) In developing rules to prohibit a chemical pursuant to this subdivision, the department shall rely on credible scientific evidence and consider information relevant to the hazards based on the quantitative extent of potential exposures to the chemical under its intended or reasonably anticipated conditions of use.

§ 37-0911. Children's product safety council; established. 1. There shall be established, within the department, the children's product safety council. Such council shall be composed of ten members as follows:

(i) one member who has expertise in pediatrics; and
(ii) one member who has a background or expertise in toxicology or health risk assessment.
(b) Of the two additional members appointed to the children's product safety council, the governor shall appoint members who have a background in environmental health and safety, risk assessment or medicine.
(c) The members of such council appointed pursuant to paragraph (e) of subdivision one of this section shall serve terms of two years.
(d) The members appointed pursuant to paragraph (e) of subdivision one of this section shall each serve his or her term of office or until his or her successor is appointed; provided that any vacancy in the position of an appointed member shall be filled in the same manner as the original appointment and only for the unexpired term of the vacancy.

4. The children's product safety council shall meet at such times and places as may be determined by its chair. The council shall meet at a minimum of two times per year. All meetings shall be open to the public pursuant to article seven of the public officers law. A majority of the members of such council shall constitute a quorum for the transaction of business. to those chemicals which should be prohibited by the department pursuant
to subdivision two of section 37-0909 of this title.

as high-priority chemicals pursuant to section 37-0905 of this title.
(ii) The council shall provide the department with its first list of
such chemicals no later than two years from the initial meeting of the
council. The council shall update the list, including a review of the
chemicals listed as high-priority chemicals pursuant to section 37-0905
of this title, annually thereafter.
6. The children's product safety council shall be entitled to request
and receive information from any state, municipal department, board,
commission or agency that may be required or are deemed necessary for

the council shall provide an opportunity for public and stakeholder
comments. Final recommendations of the council shall be posted on the
department's website within thirty days after the council adopts such
recommendations.
This provision shall not apply: (a) to a children's product solely
based on its containing an enclosed battery or enclosed electronic
components and (b) where state regulation of children's products is
preempted by federal law. The commissioner may exempt a children's
product from this prohibition if, in the commissioner's judgment, the
lack of availability of the children's product could pose an unreason-
able risk to public health, safety or welfare.
§ 37-0909. Applicability.
1. New children's products. The provisions of this title shall apply

information regarding the toxicity of such chemical, except that this
subdivision shall apply to trace contaminants in a manner consistent
with section 37-0907 of this title.

2. The department shall provide information to the public about chil-
dren's products containing chemicals of concern or high priority chemi-
cals by posting such information as reported by the manufacturers on the
department's website, provided however, that the department shall not be
held liable for the accuracy of a manufacturer's report.

§ 37-0915. Enforcement and implementation.

1. Failure to provide notice. A children's product containing a
dangerous high-priority chemical may not be sold, offered for sale or

conservation law relating to regulation of toxic chemicals in children's
products, as proposed in legislative bills numbers S. 501-B and A.
6296-A, takes effect.
Section 1. Section 58.10 of the local finance law, as added by chapter 643 of the laws of 2019, is amended to read as follows:

1. "Municipality" means a county with a population of four hundred thousand or more, or a city or town with a population of one hundred thousand or more that has issued at least twenty-five million dollars in bonds within at least one of the preceding three years.
2. "Nationally recognized electronic securities bidding service" means a bidding service that is approved by the superintendent pursuant to subdivision b of this section.
3. "Open auction" means a bond sale procedure that allows a bidder to receive information with respect to the ranking of its bids prior to the conclusion of the bidding period in accordance with the municipality's notice of such bond sale circulated in accordance with applicable requirements of this chapter.
4. "Program" means the electronic open auction public bond sale pilot program established pursuant to this section.
5. "Superintendent" means the superintendent of financial services.

The superintendent shall make available an application form that provides the superintendent with information regarding the technology and security practices maintained by the nationally recognized electronic securities bidding service, the requirements to be established for bidding by bidders, the methods by which auction sales are conducted, the experience of the nationally recognized electronic securities bidding service in conducting electronic open auctions of bonds, and other information the superintendent may deem relevant.
2. If the superintendent determines that the requirements and conditions of the open auction are in accordance with the provisions of this chapter and the bidding service provides a secure, open and competitive opportunity for qualified bidders to submit proposals, the application shall be deemed approved.
3. The superintendent shall post information regarding the nationally recognized electronic securities bidding services that have been approved for use by municipalities on the department of financial services website.
c. If the chief fiscal officer of the municipality has authorized the receipt of bids in an electronic open auction format, such electronic bids may be submitted in the form of open auctions conducted through a nationally recognized electronic securities bidding service which entity shall be deemed to be the designated receiving device pursuant to section 58.00 of this title. Notice of any bond sale shall provide for the manner in which the bidding period may be extended and the basis for determination of the winning bidder.

e. The municipality's chief fiscal officer shall administer the program and shall publish its policies and procedures for the procurement of nationally recognized electronic securities bidding services on the municipality's internet website. § 2. This act shall take effect immediately; provided, that the amendments to section 58.10 of the local finance law made by section one of this act shall not affect the repeal of such section and shall be deemed to repeal therewith.

It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.
§ 3. This act shall take effect immediately provided, however, that the applicable effective date of Subparts A through CC of this act shall be as specifically set forth in the last section of such Subparts.

PART YY

Section 1. Subdivisions 1 and 2 of section 3656 of the public authorities law, as amended by chapter 685 of the laws of 2003, are amended to read as follows:

1. The authority shall have the power and is hereby authorized from time to time to issue bonds in such principal amounts as it may determine to be necessary pursuant to section thirty-six hundred fifty-five of this title to pay any financeable costs and to fund reserves to secure such bonds, including incidental expenses in connection therewith. Provided, however, that the aggregate principal amounts of such bonds issued to pay the financeable costs described in paragraph (a) of subdivision twelve of section thirty-six hundred fifty-one of this title shall not exceed four hundred fifteen million dollars, excluding bonds, notes, or other obligations issued to refund or otherwise repay bonds, notes, or other obligations theretofore issued for such purposes.

Notwithstanding the foregoing limit on the amount of bonds that the authority may issue to pay the financeable costs described in paragraph (a) of subdivision twelve of section thirty-six hundred fifty-one of this title, the authority shall have the power to issue up to an additional seven hundred ninety million dollars of bonds, excluding bonds, notes, or other obligations issued to refund or otherwise repay bonds, notes, or other obligations theretofore issued for such purpose, to pay such costs if the county's indebtedness to be refunded, repaid or restructured with the payment of such bonds was originally incurred by the county to pay tax certiorari settlements or assignments of any kind in which the county is a party. Provided further, the aggregate principal amounts of such bonds issued to pay the financeable costs described in paragraph (c) of subdivision twelve of section thirty-six hundred fifty-one of this title, which resulted from certiorari proceedings commenced prior to June first, two thousand, shall not exceed four hundred million dollars, excluding bonds, notes, or other obligations theretofore issued for such purposes. And, provided further, the aggregate principal amounts of such bonds issued to pay the financeable county costs described in paragraph (c) of subdivision twelve of section thirty-six hundred fifty-one of this title, which resulted from certiorari proceedings commenced on or after June first, two thousand, shall not exceed [four] eight hundred million dollars in the aggregate for the fiscal years two thousand through two thousand seven, however, of said four hundred million dollars only fifteen million dollars may be issued in the fiscal year two thousand six and ten million dollars may be issued in the fiscal year two thousand seven, however, of said four hundred million dollars only fifteen million dollars may be issued in the fiscal year two thousand six and ten million dollars may be issued in the fiscal year two thousand seven], excluding bonds, notes, or other obligations issued to refund or otherwise repay bonds, notes, or other obligations theretofore issued for such purposes. Effective in the year two thousand six, upon request of the county, the authority shall issue, in the amount requested, bonds to pay tax certiorari settlements or judgments of any kind to which the county is a party, not to exceed fifteen million dollars; and effective in the year two thousand seven, upon request of the county, the authority shall issue, in the amount requested, bonds to pay tax certiorari settlements or judgments of any kind to which the county is a party, not to exceed
ten million dollars. Whenever this title establishes a limit on the principal amount of bonds that the authority is authorized to issue, there shall not be counted against such limit (i) amounts determined by the authority as reasonable to be used to pay the cost of issuing such bonds, (ii) the amount of bonds that would constitute interest under the Internal Revenue Code of 1986, as amended, and (iii) amounts determined by the authority as necessary to establish any reserves.

The authority shall have the power from time to time to refund any bonds of the authority by the issuance of new bonds, whether the bonds to be refunded have or have not matured, and may issue bonds partly to refund bonds of the authority then outstanding and partly to pay the financeable costs pursuant to section thirty-six hundred fifty-five of this title. Bonds issued by the authority shall be payable solely out of particular revenues or other moneys of the authority as may be designated in the proceedings of the authority under which the bonds shall be authorized to be issued, subject to any agreements entered into between the authority and the county, and subject to any agreements with the holders of outstanding bonds pledging any particular revenues or moneys; but in no event shall transitional state aid be pledged as security for or be made available for the payment of bonds.

2. The authority is authorized to issue its bonds for a period ending not later than December thirty-first, two thousand [seven] twenty-one. The authority may issue bonds to refund bonds previously issued without regard to the limitation in the first sentence of this subdivision, but in no event shall any bonds of the authority finally mature later than January thirty-first, two thousand thirty-six fifty-one. Notwithstanding any other provision of law, no bond of the authority shall mature more than thirty years from the date of its issue.

§ 2. Severability. If any provision of this act or if any application thereof to any person or circumstances is held invalid, the remainder of this act and the application of the provision to the other person and circumstances shall not be affected thereby.

working days before the day of the election that he or she requires time
off to vote in accordance with the provisions of this section.

competent jurisdiction to be invalid, such judgement shall not affect,
impair, or invalidate the remainder thereof, but shall be confined in
its operation to the clause, sentence, paragraph, subdivision, section
or part thereof directly involved in the controversy in which such
judgement shall have been rendered. It is hereby declared to be the
intent of the legislature that this act would have been enacted even if
such invalid provisions had not been included herein.
§ 3. This act shall take effect immediately provided, however, that
the applicable effective date of Parts A through AAA of this act shall
be as specifically set forth in the last section of such Parts.
