

SERVICE NOTICE

2025 New York City Electrical Code: Electrical Jobs Filed in the Buildings Information System (BIS)

Effective August 23, 2025, all electrical jobs filed in BIS that have not been signed off by the Department of Buildings will be marked as Abandoned in BIS. Abandoned jobs will have to be reinstated in DOB NOW: *Build* to be signed off.

Objection Disposition:			

Reinstate an Abandoned BIS Job in DOB NOW

Login to DOB NOW at nyc.gov/dobnow and select the **DOB NOW: Build** module. Select **+Job Filing** and **Alteration**. On the General Information Tab, answer Yes to the new question: Are you reinstating a BIS electrical permit? and enter the job number of the Abandoned BIS job. You will be required to select the applicable edition of the reference standard (NFPA 70): Prior to 2008 NEC/2011 NYC Electrical Code; 2008 NEC/2011 NYC Electrical Code; or 2020 NEC/2025 NYC Electrical Code. Payment of full filing fees will be required.

Additional Information

[Buildings Bulletin 2024-008](#) clarifies when to apply the 2025 NYC Electrical Code or the 2011 NYC Electrical Code.

Additional Assistance

Visit nyc.gov/dobnowtips for information on how to create an NYC.ID account to login to DOB NOW. For additional assistance, submit an inquiry at nyc.gov/dobhelp.
