

## UPCOMING CHANGE

### NEW Electrical Advisory Board Submission Requirement: Asbestos Abatement Compliance Required

Effective May 1, 2017, all submittals for Electrical Advisory Board (EAB) review and approval (1,000 KVA or greater) must include one of the following, dependent upon the presence of asbestos containing material (ACM) at the project:

- Relevant, clear and complete ACP-5 form(s), **must** be signed and stamped by a Certified Asbestos Investigator (CAI). An ACP-5 form is required to ensure the work area is free of ACM even if an asbestos abatement project is required.

*NOTE: Get ACP-5 form [instructions](#).*

OR

- A note in the EAB submittal referring to Section 22 of the underlying PW1 of the associated DOB application for construction work. The following excerpt was taken from a PW1 form:

22	Asbestos Abatement Compliance <i>Choose one.</i>
<input type="checkbox"/>	The scope of work requires related asbestos abatement as defined in the regulations of the NYC Department of Environmental Protection (DEP).
<input checked="" type="checkbox"/>	The scope of the work is <b>not</b> an asbestos project as defined in the regulations of the NYC DEP. <i>DEP Control # is required.</i> DEP ACP-5 Control No. <u>000-0000</u>
<input type="checkbox"/>	The scope of work is exempt from the asbestos requirement as defined in the regulations promulgated by the NYC DEP (15 RCNY 1-23(b)) or is an alteration to a building constructed pursuant to plans submitted for approval on or after April 1, 1987, in accordance with § 28-106.1.

OR

- A note in the EAB submittal stating,  
“The proposed electrical work is exempt from any filing of ACP forms because such work is occurring in a new building, a wholly new building wing, floor, etc. or in an existing building or building wing, floor etc. that was wholly constructed pursuant to plans submitted for approval on or after April 1, 1987.”

*NOTE: Approval of the EAB submittal may be delayed if there is not full compliance with the above Asbestos Abatement Compliance requirements.*
