Pre Approval Appointments are scheduled to apply for a license and submit documentation for a background investigation. Appointments are scheduled after passing an exam, receiving certification specific to your license type, or notification from the unit after submitting a license application via email or online. To make an appointment, call the Licensing Unit at (212) 393-2259.

Post Approval Appointments are scheduled after Background Investigation Approval. A notification is sent via postal letter or email with instructions to submit supporting documentation or to pick up the license card. To make an appointment, call the Licensing Unit at (212) 393-2259.

*Journeyman, Gas Work, and Welder applications and changes are processed in [DOB NOW: Licensing](#).

*Special Inspection Agency registration is processed through [eFiling](#).
