## Appointments for Development Hub BIS Jobs

---

Beginning February 15, 2022, appointments for Development Hub BIS jobs must be scheduled via the [DOB Appointments System](#).

Development Hub plan examination appointments for BIS jobs will no longer be taken by email. Instead, appointments will need to be scheduled through the same [DOB Appointments System](#) that is currently used for appointments with borough plan examiners.

For Development Hub pre-filing consultation meetings, continue to submit a [Hub Consultation Request](#).

The process for requesting appointments for DOB NOW jobs and borough BIS jobs has not changed.

For more information, see the [Scheduling an Appointment](#) page.
