2018 Benchmarking Compliance Deadline Extended

The 2018 benchmarking compliance for the 2017 calendar year deadline has been extended. The 2017 calendar year data is now due no later than February 1, 2019.

By letter dated January 3, 2019, the Mayor's Office of Long-Term Planning and Sustainability (OLTPS) has advised the Department of Buildings that compliance with Administrative Code §28-309.4 – **Benchmarking Energy and Water Use** - has been temporarily suspended.

Pursuant to Administrative Code §28-309.6, OLTPS has temporarily suspended compliance for calendar year 2017 due to technical issues. The temporary suspension covers calendar year 2017 compliance, which had been due no later than May 1, 2018.

Owners of covered buildings are encouraged to visit the [Benchmarking](#) page under the Sustainability section of the Department's website, or check out [OLTPS'](#) page for further details.

For general information regarding benchmarking requirements, including how to submit your report, please review material at the [Mayor's Office of Sustainability](#).

Assistance with benchmarking tasks is available via the NYC Benchmarking Help Center, Monday through Friday, 9:00 am to 5:00 pm by calling (212) 566-5584 or by email at questions@benchmarkinghelpcenter.org.
