

## SERVICE UPDATE

### Annual Inspections and Tests for Boilers and Elevators Must be Performed by December 31, 2022

High-pressure and low-pressure boilers are required to have annual inspections, and elevators are required to have periodic inspections and Category 1 tests, between January 1 and December 31 each year. The annual inspections, periodic inspections, and Category 1 tests for 2022 must be performed by December 31, 2022.

#### Deadlines

Inspection/Test	Deadline for Performing Inspection/Test	Deadline for Submitting Report to DOB
Boiler (High-pressure and Low-pressure) Inspection	December 31, 2022	Within 14 days after the inspection
Elevator Periodic Inspection	December 31, 2022	Within 14 days after the inspection
Elevator Category 1 Test	December 31, 2022	Within 21 days after the test

A licensed professional/insurance agency inspector or elevator agency submits the inspection and test reports in [DOB NOW: Safety](#). Owners are subject to civil penalties for late filings and failure to file reports.

Visit DOB's [Boiler Compliance](#) and [Elevator](#) pages for more information.
