

Local Law 97 Covered Buildings List (Filing Year 2026)

Manhattan

Jan 2026 V1

This Covered Buildings List (CBL) is provided as a reference tool for building owners, based on the current records of DOB and other government partners. The presence or absence of any property on this list cannot be construed to relieve anyone from compliance with LL97 or any other applicable law. Building owners, and their representatives or agents, are ultimately responsible for confirming a building's coverage status and ensuring the accuracy of all information used for compliance and reporting. Some owners or representatives may have submitted a CBL dispute that is not yet reflected in this list. If you believe this applies to your building, please contact us promptly so we can review the matter with you.
