

Regardless of how the project work is portioned out, administration of the work remains the responsibility of the Registered Design Professional (RDP) who is the Applicant of Record (Applicant) in responsible charge or has verified Code and Zoning compliance of the drawings and installations for the project. Although there may be some specific projects that do not involve architectural or structural work, which may be completed by other professionals, it is important that the RDP maintain control of the entire project and understand when this applies under Department and NYS regulations.

Verification

The applicant shall verify that the Contractor completed the work in which the Construction Equipment was required for and passed all required inspections prior to the Contractor obtaining a final sign-off of the completed work.
