

Project Checklists contain project-specific details as they apply to the scope of work of the project to provide compliance with the NYC Construction Codes and other regulations.

Construction Drawings

Make sure work conforms to approved drawings. However, minor variations are allowed – see minor variations memorandum. However, certain changes may require an amendment.

Scope Modifications

Verify if changes need an amendment per [AC 28-104.3](#).

Site Safety

The Contractor **must** maintain their work site in a safe condition during construction and **must** minimize the risk of accidents and fire.

Action Plan for Extreme Weather

An action plan for extreme weather is required per [BB 2013-011](#).
