

REMINDER

New York City Construction Codes Revision Committee: Accepting Applications for Members

The Department is seeking applicants to serve on the 2017 Construction Codes Revision & Development Committee. To be considered for committee membership, a completed [application](#) must be signed and submitted, including all required documentation, to the Department by **March 30, 2017**. **The application deadline has been extended through [APRIL 14, 2017](#).**

The NYC Construction Codes revision process will consist of eight Technical Committees and five Advisory committees. Members of these committees would be responsible for reviewing and drafting Code revisions. The Department encourages interested stakeholders, members of the architectural, construction, engineering, labor, and real estate communities to [apply](#). To learn more about the revision process, please refer to the [2017 Construction Codes Revision Cycle Handbook](#).

Submission Information & Guidelines

- Applicants **must** submit a current résumé and government-issued photo identification with their completed [application](#).
- Completed and signed applications can be submitted by email to codeapp@buildings.nyc.gov or mail to:

New York City Department of Buildings
Code Development Unit
Attn: Committee Selection
280 Broadway, 7th Floor
New York, NY 10007

NOTE: Applicants are required to undergo a background investigation.

REQUIREMENTS: Becoming a New York City Construction Codes Committee Member

The Department strives to keep the City's Construction Codes up-to-date. The Department will appoint volunteer members to the Code Committees to ensure a balanced representation of stakeholders. Applicants are directed to indicate which committee(s) they wish to serve on. In order to serve committee members are expected to:

- Possess subject matter expertise in the content of an assigned committee
- Be available to meet on a regular basis, and complete their assigned tasks
- Comply with the terms described in the [2017 Construction Codes Revision Cycle Handbook](#).

POST UNTIL: April 14, 2017
