

## UPCOMING CHANGE

### **Construction Safety Compliance and Construction Safety Enforcement Relocate to 280 Broadway**

---

**The Construction Safety Compliance (CSC) Unit has relocated to 280 Broadway, 3<sup>rd</sup> Floor and the Construction Safety Enforcement (CSE) Unit will relocate to 280 Broadway, 4<sup>th</sup> Floor on Monday, November 18.**

Construction Safety Compliance Plan Examination remains at Window 14 at 280 Broadway, 3<sup>rd</sup> floor. All tickets for Construction Safety Compliance business including plan examination and inspections will be serviced at Window 14.

All tickets for Construction Safety Enforcement including inspections and engineering will be serviced at Window 20 at 280 Broadway, 4<sup>th</sup> Floor.

Service tickets for all units on the 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> floors of 280 Broadway can be pulled from any ticket kiosk on these floors. Only DOB ID holders can pull tickets on the 3<sup>rd</sup> floor. Customers without an ID should go the service counter of the unit they want to see for a manual ticket.
