The City of New York  
DEPARTMENT OF BUILDINGS

Departmental Memorandum

To: Borough Superintendents

From: John T. O'Neill  
Commissioner

Subject: Ultimate Strength Design

Concrete  
Plan Examination

Date: July 17, 1969

---

Effective immediately, Director of Operations Burke's memorandum of September 4, 1968 regarding Ultimate Strength Design is hereby superseded.

Based on enactment of the new Building Code, all Borough Superintendents may authorize the use of Ultimate Strength Design, conditioned by the stipulations specified in the authorization accompanying this memorandum, pursuant to Section 1804 of the New York City Charter.
