

WAIVER AND DEFERRAL DOCUMENT REQUEST LIST – Updated March 6, 2023

Use the list below to determine if a required document in DOB NOW: *Build* is eligible for waiver or deferral. The option to request waiver or deferral of a document is selected from the Action column for the Document Name on the Documents tab of the filing. The option is available for the applicant of record, filing representative and delegated associate on the filing.

- Professionally certified filings: both Prior To Filing and Prior To Approval documents must be uploaded to submit the filing for approval.
- Standard plan examination filings: see the Prior to Stage column below.
