DEPARTMENTAL MEMORANDUM

DATE: March 7, 1977

TO: Borough Superintendents

FROM: Director of Operations Irving E. Minkin

SUBJECT: PLACE OF ASSEMBLY GUIDELINES

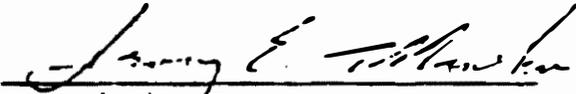

Herewith forwarded is a corrected copy of page 2 of "General Building Department Guidelines for Obtaining and Maintaining a Place of Assembly Permit."

This page clarifies item #4 in the guideline, in regard to current fees.

The guideline was issued as a general guide to the public, and was not intended to go into extensive detail on provisions of law. However, since the general language of item #4 caused some misunderstandings as to whether a fee was warranted in some cases on the part of some applicants, this clarification more accurately re-states the requirements of the Administrative Code.

Substitute the enclosed copy of page 2 of the "Guidelines" for the copy originally distributed.
