

SERVICE UPDATE

Gas Test and Gas Finish Self-Certifications Ending in Queens and the Bronx

Effective July 12, 2019 Gas Test and Gas Finish self-certifications will no longer be allowed for work done in the Bronx and Queens. A physical inspection witnessed by the Department of Buildings will be required. All inspections must be requested using [DOB NOW: Inspections](#).

When requesting an inspection select one of the inspection types below:

- PL – Up to 3 Requested Floors
- PL – Up to 9 Requested Floors
- PL – More than 10 Requested Floors

*NOTE: 3, 9, and 10 refer to the **total number of floors** you are requesting to be inspected.*

When requesting an inspection, you must enter in the **Additional Information** box the specific type of inspection being requested:

- Gas – Test
- Gas – Finish

For **Advance Notices for Gas Test and Gas Finish** inspections in the Bronx and Queens, submitted before July 12, 2019, you will still be able to submit certifiable results in DOB NOW: *Inspections*, 24 hours from the time you indicated on your Advance Notice.

To request an inspection, log onto DOB NOW: *Inspections* at www.nyc.gov/inspections. For inspection request instructions using DOB NOW: *Inspections*, please review the [Inspections: Requesting, Cancelling, and Viewing Results](#) user manual. The information can be found at http://www1.nyc.gov/assets/buildings/pdf/inspection_results.pdf.

POST UNTIL: November 30, 2019
