

## SERVICE UPDATE

### **Gas Work Qualification Written Examination**

---

Effective August 1, 2024, the Gas Work Qualification written exam will be administered as an open-book exam. The Examination Content Outline section of the Gas Work Candidate Information Bulletin will be provided in electronic format within the exam platform at the testing center. No reference materials will be permitted in the testing center.

Review the [June 20, 2024 Service Notice](#) and the [Gas Work Qualification page](#) on the [Department's website](#) for more information about Gas Work Qualifications.
