

THE CITY OF NEW YORK  
HOUSING AND DEVELOPMENT ADMINISTRATION  
DEPARTMENT OF BUILDINGS

DEPARTMENTAL MEMORANDUM

DATE: August 17, 1971

TO: Borough Superintendents  
FROM: Thomas V. Burke, Director of Operations  
SUBJECT: Application for Emergency Generators

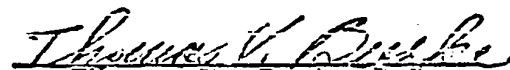

Installation of emergency diesel or gasoline generators are to be filed in quadruplicate on B form 8 entitled Plumbing, Mechanical Equipment and Tank Installation. When the application is approved, one copy is to be sent to the Fire Department. Notification to the Department of Air Resources is not required.

Minor partition work enclosing the generator may be included on B form 8.

Structural work, architectural work not of a minor nature and chimney construction is to be filed on a Building Notice or Alteration application with an accompanying B form 8 to include the installation of the emergency generator.
