

UPCOMING CHANGE

Development HUB Consultation Request Form Updated

Effective March 2017, an updated electronic **Consultation Request Form**, issued by the Development HUB will be released. The updated form will improve the project eligibility review process and collect additional data to better serve the public.

The **Consultation Request Form** is the first step in determining project eligibility with the Development HUB.

HUB Consultation Request

In order to work with the Development Hub you must be registered to **electronically file** documents with the Development Hub page on the Department's website.

To file at the Development Hub, please complete the information below to request an appointment to make your New Building (NB) or Alteration Type-1 (Alt-1) project a part of the center.

* Indicates required fields

** Indicates a Consultation meeting, attended by a Code and Zoning Specialist and/or the Borough Commissioner is required.

PROJECT TYPE*
