

REMINDER: The Use of a Crane or Derrick to Hoist Personnel is Prohibited

Hoisting personnel with a crane or derrick is prohibited. This includes, but is not limited to, personnel riding on structural steel members, formwork, loading platforms, or building cocoon systems that are attached to the load line of a crane or derrick.

An exception is provided for limited work, such as using a man basket – this is subject to the advance approval of the Department’s Cranes and Derricks Unit.

For more information, see [1 RCNY 3319-01\(q\)\(3\)\(v\)](#).
