1. If your BBL is listed with an incorrect street address, please request a change by visiting http://nyc.gov/changemailingaddress.
2. According to DOF property records, all properties on this list are larger than 50,000 sq ft. If this information is incorrect, email sustainablebuildings@finance.nyc.gov.
3. The "DOF Square Footage" determines if a property must comply and may not accurately reflect the lot's actual total gross floor area.
4. The next to last column is a list of parcels with multiple buildings on a lot less than 100,000 GSF for which DOF Records indicate at least one individual building greater than 50,000 GSF.
5. Owners are obligated to submit an Energy Efficiency Report (EER), summarizing the findings and recommendations of an energy audit and related retro-commissioning measures, in the calendar year in which the last digit of the year coincides with the last digit of the building's tax block number.
6. For details, see here: https://www.nyc.gov/site/buildings/codes/ll87-energy-audits-retro-commissioning.page
