

Local Law 88 Covered Buildings (CY 2025)

All properties subject to Local Law 88

The following lists have been compiled using preliminary data and are intended as a reference for building owners to consider in consultation with legal representatives, registered design professionals (RDPs), and licensed master, and/or special electricians. If you believe your building should not be subject to LL88, please submit a CBL dispute ticket through the BEAM portal.

Column Name	Column Description
BBL	10-digit identifier (borough, block and lot), as provided to the Department of Buildings (DOB) by the Department of Finance (DOF), to identify the tax lots containing buildings that meet the square footage threshold of LL88: - a building that exceeds 25,000 gross square feet - two or more buildings on the same tax lot that together exceed 100,000 square feet - two or more condominium buildings governed by the same board of managers and that together exceed 100,000 square feet.
BIN (DOB Records)	7-digit identifier unique to each building in the City of New York.
