

## SERVICE UPDATE

### **DOB-Approved Course Providers to Deliver Hybrid Online/In-Person Training for Hands-On Training Courses**

---

In **May of 2020** DOB announced the shift to online training by DOB-approved Course Providers, with the exception of courses that included hands-on training. For courses that include hands-on training, DOB-approved course providers can now deliver the hands-on portion of the training in person and the remaining portion through either a live Virtual Classroom or live Webinar – adhering to DOB’s Actively Proctored Online Training Policy and the applicable accreditation standards of each course provider.
