MEMORANDUM

TO: Borough Commissioners

FROM: Satish K. Babbar, R.A. 

DATE: July 18, 1995

SUBJECT: **Illuminated Logos**

Logos which are symbols, as described in the memorandum by George C. Sakona dated September 5, 1991 (Symbols), may not be internally illuminated. To do so, would place them in the same category as signs. However, if indirect lighting were to reflect off the logos as part of the architectural features of the building, the sign regulation of the Zoning Resolution would not be applicable.
