Statement of Basis and Purpose of Rule

The Department of Buildings (“DOB”) is adding a new rule to implement Section 1043(g) of the New York City Charter, which permits any person to petition a city agency to consider the adoption of any rule and requires each agency to have rules creating a procedure for such petitions.

Specifically, this rule sets forth the procedures that petitioners must follow in petitioning DOB to consider a new rule. This rule also sets forth the procedure DOB must follow in considering and responding to petitions. Additionally, this rule requires DOB to deny or approve petitions within 60 days and sets forth a procedure for rejecting or adopting petitions.

The Department of Buildings’ authority for this rule is found in sections 643 and 1043 of the New York City Charter.

New material is underlined.
